International Yoga Day

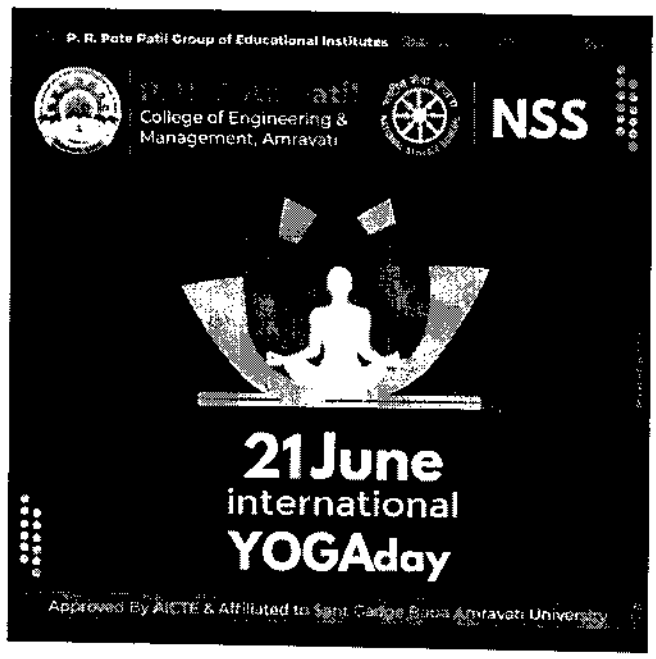

This year the Yoga day celebrations were held at P. R. Pote Patil College of Engineering & Management Amravati on 2021 June 21. The session was held in our Library. Faculty member from various departments took part in the celebration. The inaugural speech was given by the NSS Programme officer Prof. Shridhar S. Mendhe who emphasized the importance of Yoga and physical exercises in daily life.

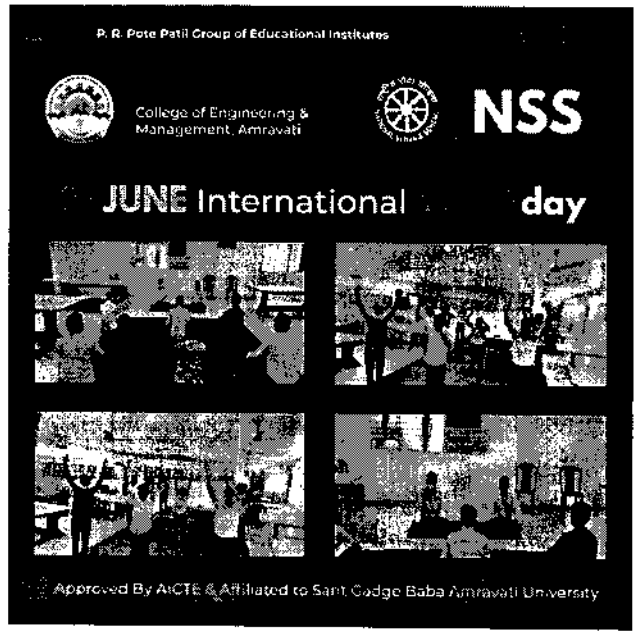

A group of Faculty who were yoga students performed several asanas. They also performed standing and sitting asanas. One could understand by watching their performance that they have been practising yoga for the last few years.

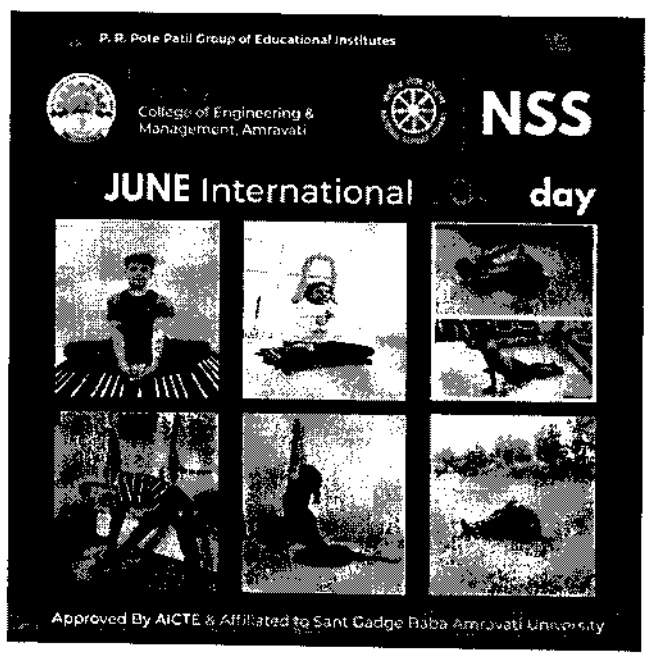

The NSS Volunteers and student celebrates International Yoga Day in their respective home due to Covid-19 Pandemic

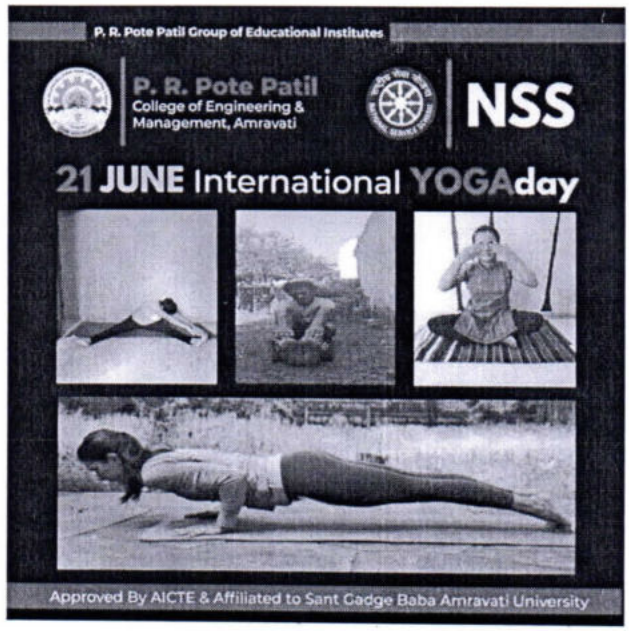

Some of the seniors even did some of the tough asanas. Our yoga teacher showed us some simple and beginner asanas which we did for about 150 minutes. The session was really organised. There were teachers all around us to help us in case we had trouble performing or understanding asanas. All the students participated eagerly.

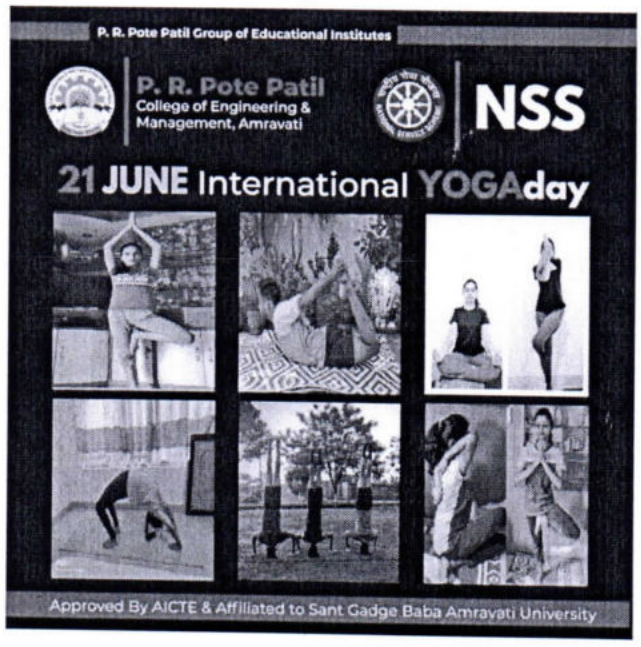

Even our principal Dr. A. V. Kale & Vice Principal Dr. Mohd. Zuhair took active participation in yoga day celebrations. About its history, a century of origin, how it helped the common people. They even told us that yoga helps increase concentration. Yoga day was celebrated with great enthusiasm.

Organised by

Department of Civil Engineering

P.R. Pote (Patil) College of Engineering & Management,

Amravati.

Name of Course : - **Auto CAD Training and Competitive Exam Guidance**

Career Opportunity:- Basic need and Future scope in civil Engineering.

Objective :-

1) **To acquire the knowledge of Drawing by Software**
2) **Impart knowledge of the 2D Drawings of Buildings.**

Outcome:

1) **To apply the knowledge of drawing on site.**
2) **To bring up participants complete knowledge.**

Name of the Instructors - Prof. A.K. Chitkeshwar, Prof. M.A.Rehaman, Prof. V.R.Mahalle

Date & Time:- 21/07/2020 to 25/07/2020

Co-ordinator:- Prof. A.K. Chitkeshwar

Target Participants :- Second year of Civil Engineering Department.

Course Structures - This workshop incorporates the fundamentals of AUTOCAD. in this workshop students learnt about basic commands of Autocad, related to building Drawing. All students were involved an enthusiastic in this training.

Number of Students Present : 46

OUTLINE

- ☐ Introduction
- ☐ Latest Version
- ☐ AutoCAD Screen
- ☐ Way to provide command.
- ☐ How it Works
- ☐ Co-ordinate system.
- ☐ Some 2D command.
- ☐ 3D Modeling
- ☐ Some 3D Commands
- ☐ Isometric view.
- ☐ Project work
- ☐ Benefits of AutoCAD.

Version of AutoCAD

AUTODESK

- ☐ AutoCAD software was firstly launched by Autodesk company in Dec. 1982.
- ☐ It comes in India in 1988.
- ☐ The first version of AutoCAD was R1 after that R2,R3,R4..... and so on.
- ☐ In 2000,Autodesk launched a version of AutoCAD 2000 after that 2001,2002..... so on.
- ☐ This time, we have the latest version of AutoCAD is 2014,which is launched on 27th march 2013.
- ☐ Latest version is easy to use and over come the difficulties of old version.

INTRODUCTION

AUTODESK

➢The Word AutoCAD is made up of two words "Auto (logo of company)"and "CAD (computer aided design)".

➢AutoCAD is 2D and 3D modeling software.
➢It is developed by Autodesk company.

➢Autodesk is an [illegible] based company.
➢It is widely used in industry for 2D drawing and 3D modeling.

➢In another way we can say that AutoCAD is a designing course , which is performed by the help of computer.

HOW AutoCAD WORKS

❖ There is a co-ordinate system used in AutoCAD.

❖ Every drawing shows its co-ordinate.

❖ In above next slide the line shows its co-ordinate that is (9,6) and (-10,-4).

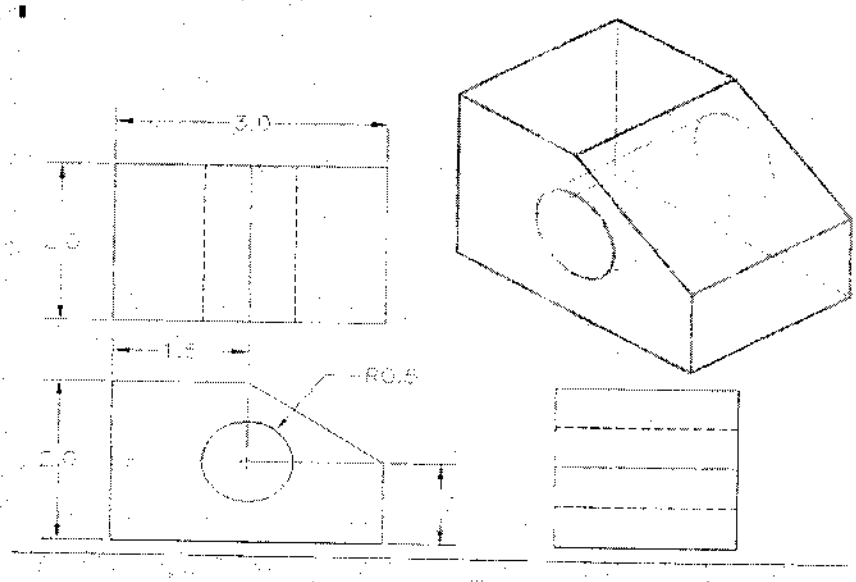

❖ There is so many commands like copy, move , rotate , mirror in 2D, path array , rectangular array , polar array & more.

❖ Different types of drawing can be made in the same time by using a command that is LAYER.

❖ Using line , arc , circle , rectangle , ellipse & polygon , so many drawing of different type can be made.

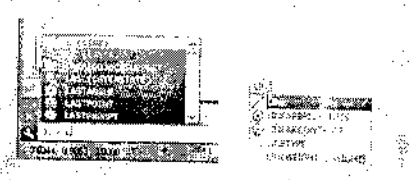

2D Project Work (2)

AUTODESK

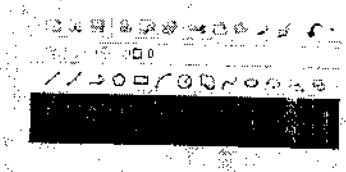

Way to Provide command

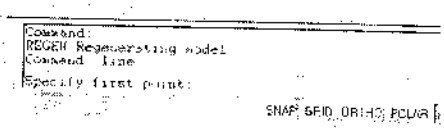

1.

2.

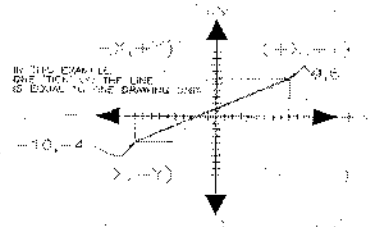

3.

CO-Ordinate System

AUTODESK

- Every thing that we draw in AutoCAD is exact.
- All object drawn on screen is based on simple X-Y co-ordinate system.
- In AutoCAD it is known as world co-ordinate system (WCS).
- We are drawing a line, so we have two points A(-10,-4) and B(9,6). As shown in figure.

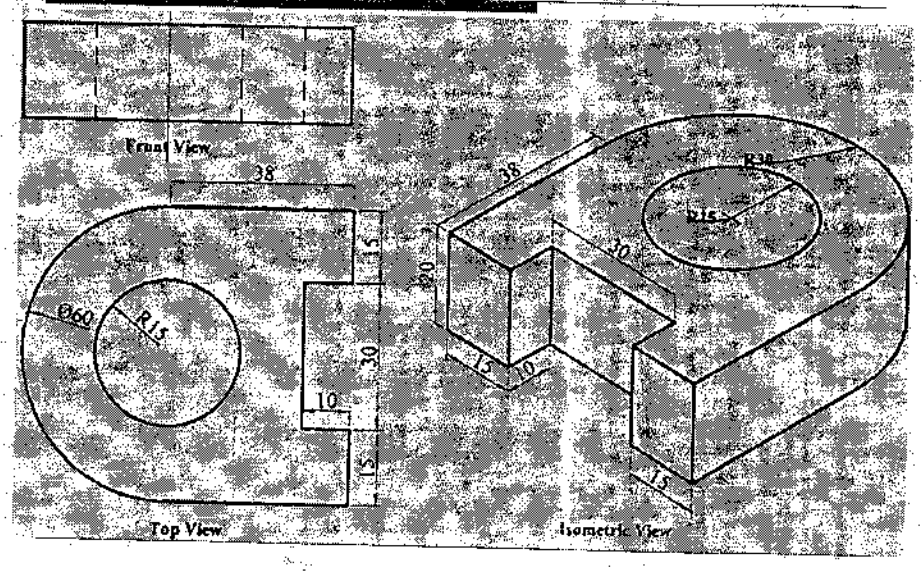

Benefits/Use of AutoCAD

AUTODESK

- Quickly create designs.
- Improved quality over hand drafting.
- Easily modify.
- More Accuracy.
- Easy to transfer.
- Long time save.

2D Project (1)

Name of Course :- Application of operation research for optimization in Industry.

Nature of Course:- Online Workshop

Career Opportunity:- Exposure to industry, Researcher, building planning, Can work as Manager, Consultancy , Laboratory testing, Designer, Planning Engineer etc.

Objective :-

1) **To acquire the knowledge Revit Software.**
2) **To understand the need of industrial current scenario.**
3) **To understand working & use of new construction equipments.**

Outcome:

1) **To apply the knowledge for the Construction for development for society.**
2) **To be able to fulfill the requirements of to-days need.**
3) **To use and explain new things in construction.**

Name of the Resource Person: Er. Nandkumar Mahajan, Director, Institute of Architectural Graphics(ATC),Nagpur

Date & Time:- 02,03,04 Sep-2020 from 11:00 am to 02:00 pm

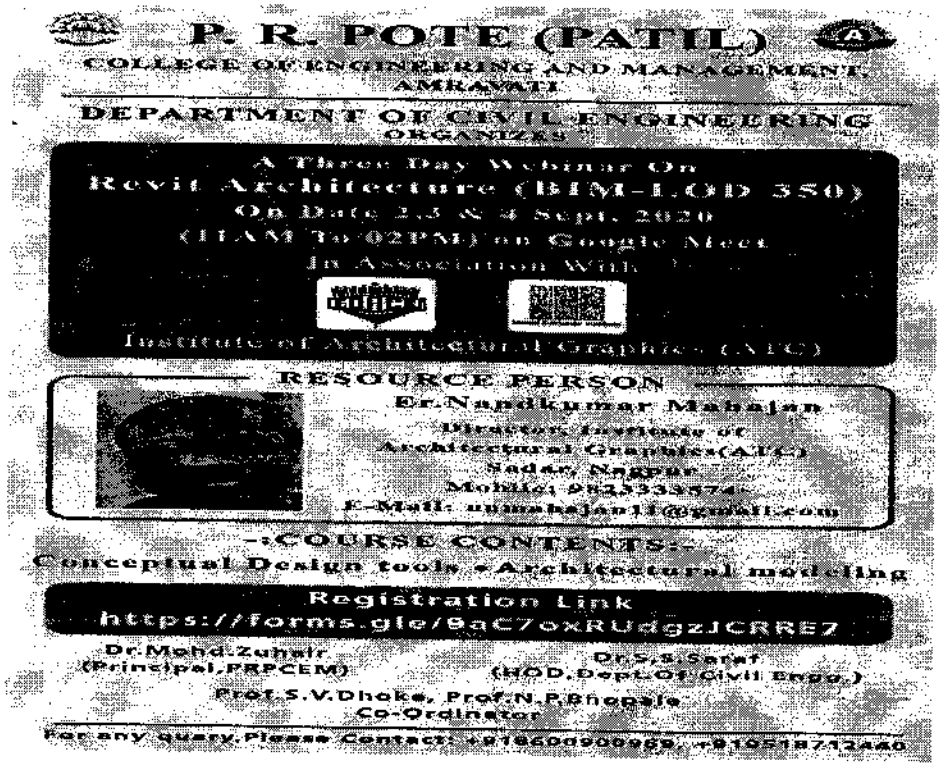

Co-ordinator:- Prof. S.V.Dhoke

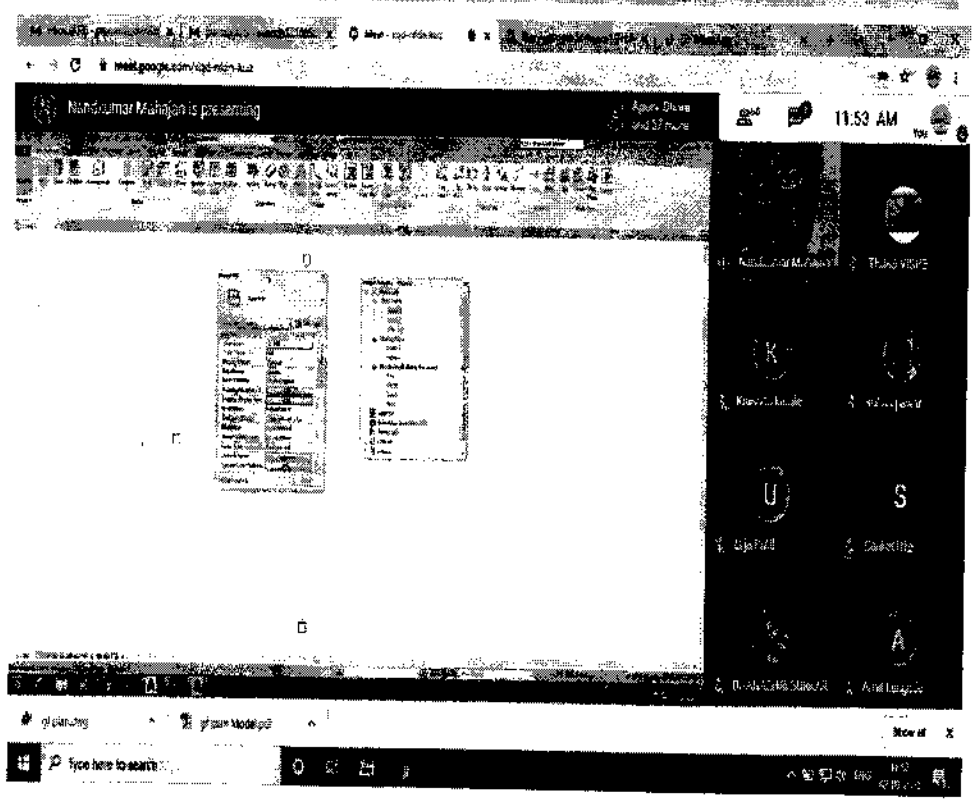

Target Participants :- Second, Third & Final Year students of Civil Engineering Department.

Course Structures:- Three days Online webinar/workshop was organised by Department for the enhancement of the knowledge of the faculty and students on dated 2 , 3, and 4 th September 2020-21. The topic of webinar is "Revit Architecture (BIM-LOD 350)" and it is delivered by very experience person Er. Two Days Workshop on

"How To Learn Java Step By Step"

Name of Course	How To Learn Java Step By Step
Nature of Course	Training
Career Opportunity	Junior Developer. Senior Developer. Java Web Developer. Java Android Developer. Java EE developer.
Objectives of the Course	Acquaint participants with the basics of Java programming and its application areas. Impart knowledge on the advanced Java tool and different concepts that will be helpful to build real time applications. Enable participant to convert their product idea into a working prototype. Bring-up participant to new innovation in the field of Programing.
Outcomes of the Course	To explain basic Java programming and its application. To describe the Java programming and compare its configuration.
Name of Resource Person	Mr. Vallabh Paratkar
Course Duration	24th April to 25th April 2021
Target Participants	Students of Department of Electronics and Telecommunication Engineering.

Course Structure & Syllabus

Java Programming

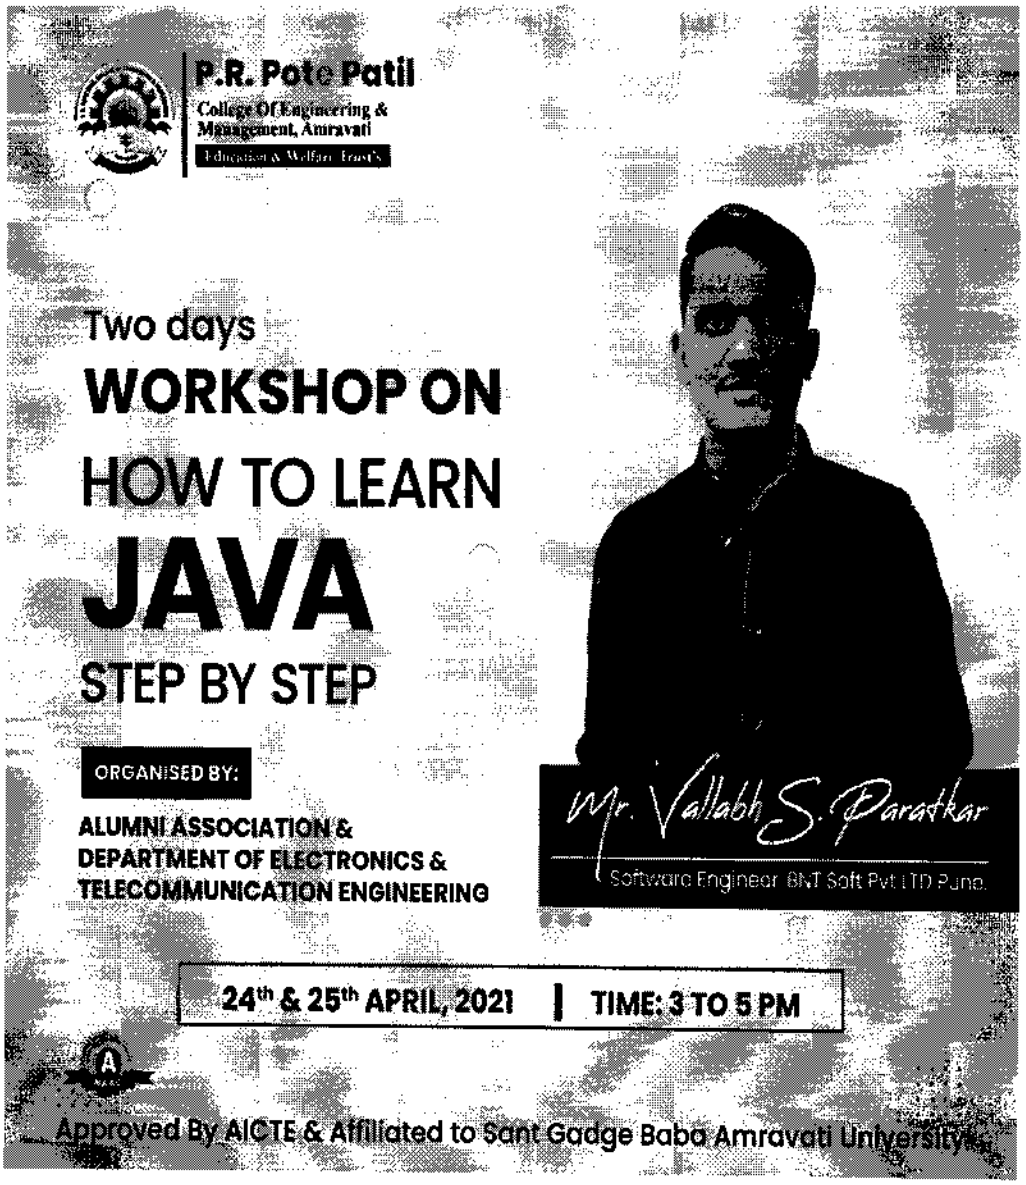

Unit I: Java features, Program Structures. Fundamentals of Java Programming, Primitive data types and operations, Selection statements, loops, Methods and Arrays in Java.

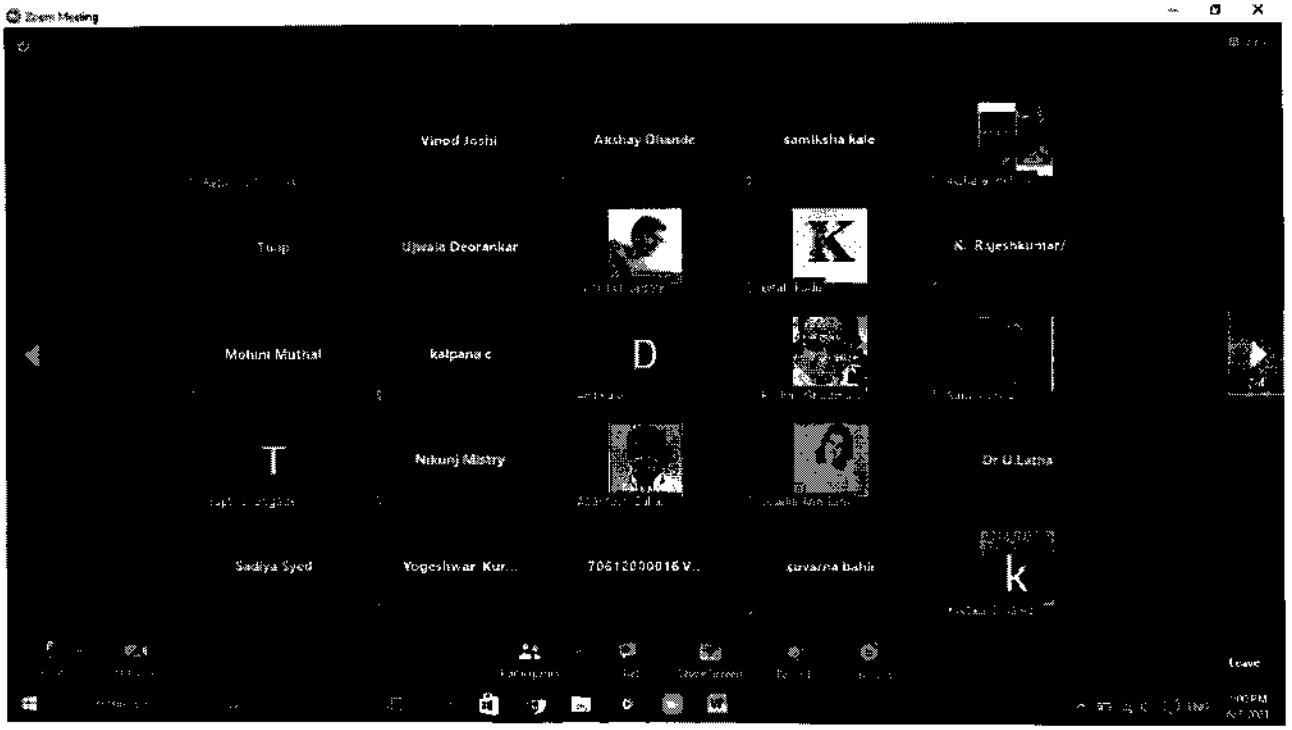

Unit II: Classes & Objects in Java, Creating Objects, Methods, Constructors, Class Variable and Methods, this keyword, Arrays of objects, String class, Character class, StringBuffer class, Command Line Arguments. File class, Text I/O.

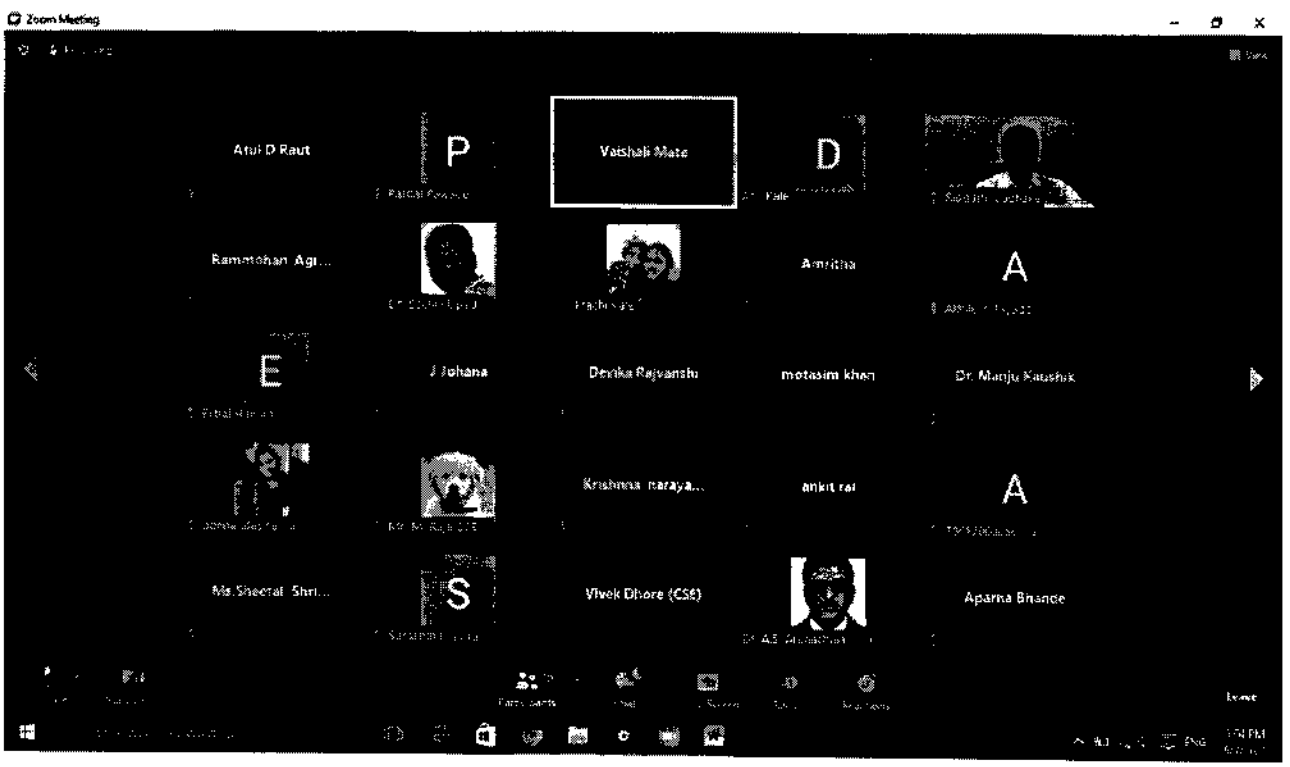

Unit III: Inheritance: Inheritance vs. Aggregation, super keyword, final keyword, Method Overriding & overloading. Object class, ArrayList class. Protected data & methods, Final classes, methods & variables. Abstract classes and Interfaces.

Unit IV: CUI programming: GUI components, Java GUI API, frames, layout managers, Color class, Font class, Panels, Swing GUI components, Image icons. Graphics class, Polygon class.

One week Workshop on

"Insights of Electronic Circuits Behaviour through QUCS"

Organized on

17th March to 22nd March 2021

Organized by

P. R. Pote (Patil) Educational and Welfare Trust's, Group of Institutions,

College of Engineering and Management

&

DEPARTMENT OF ELECTRONICS & TELECOMMUNICATION ENGINEERING

In Association With

The Institution of Electronics and Telecommunication Engineers (IETE)

Name of Course: "Insights of Electronic Circuits Behaviour through QUCS"

Nature of Course: Training

Career Opportunity: Core Electronics Industry

Objectives of the Course: .

1. Acquaint participants with the basics of QUCS simulation tool and its application areas.
2. Impart knowledge on the advanced components and different concepts that will be helpful to build real time applications.
3. Enable participant to convert their product idea into a working prototype.
4. Bring-up participant to new innovation in the field of electronics.

The workshop was really helpful to gain the idea of how to simulate different electronic circuit and different electronic components works. The explanation of various recent trends in electronics and the demonstration of various types of virtual circuit simulation were really remarkable. All the participant students are from 2nd Year of Electronics as well as faculties accompanying them really enjoyed the hands-on session also.

Outcomes of the Course:

1. Participants will gain valuable insights into Simulation tool.
2. Participants will learn the basic usage of components used for different projects for creating basic projects and test them with the help of simulation tool before actual implementation.

Name of Resource Person: Mr. Aniket. R. Pawade

Course Duration: 17th to 22nd March 2021

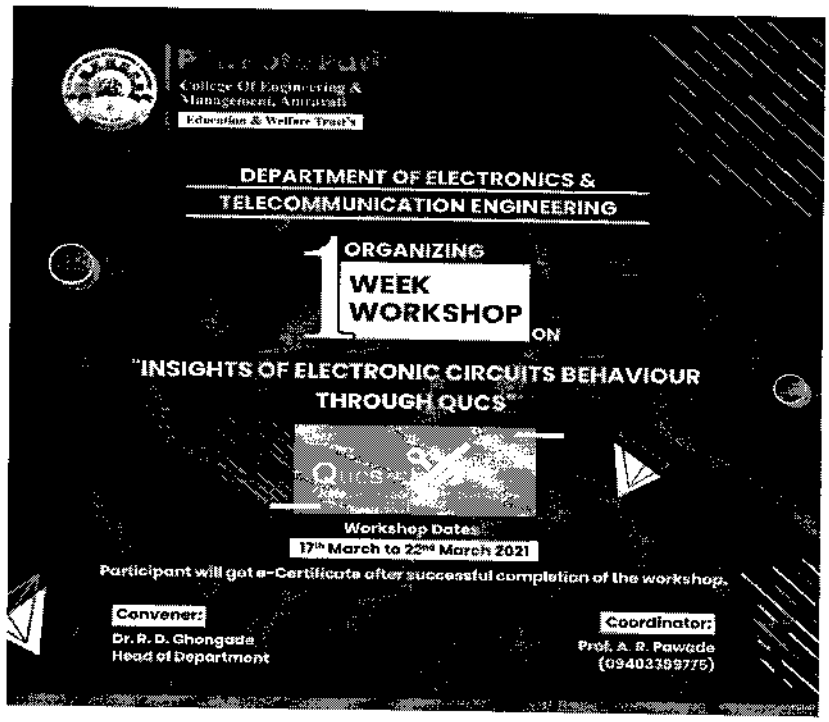

Target Participants: Students of Department of Electronics and Telecommunication Engineering.

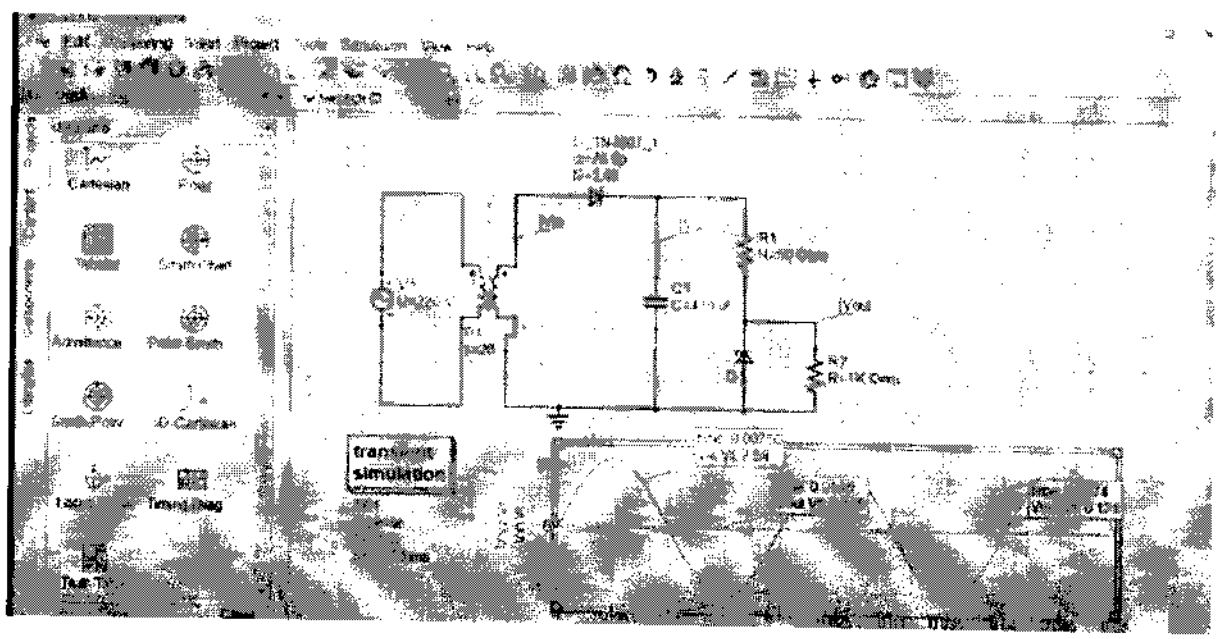

Department of Electronics & Telecommunication and IETE student forum (EXTC, PRPCEM) Amravati, had organized a One-week online workshop on "**Insights of Electronic Circuits Behaviour through QUCS**" from17th to 22nd March 2021 using online platform Google meet.

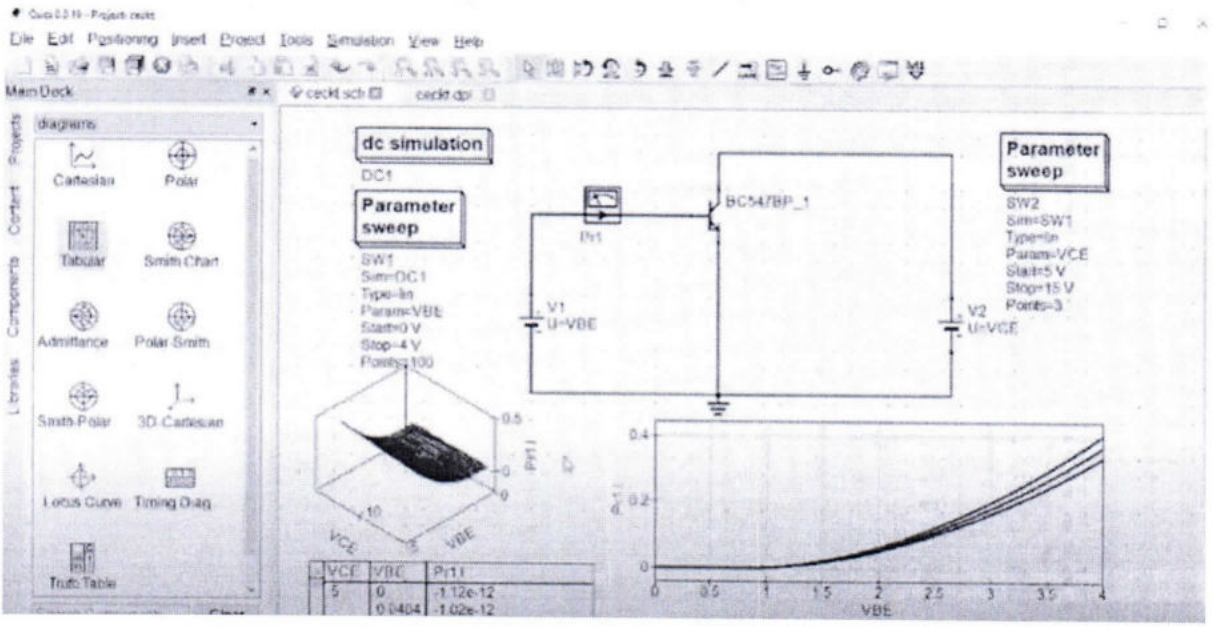

The main objective of this workshop was to make the aspiring students acquainted with the conceptual as well as practical knowledge of the electronics circuit's simulations & latest technologies being used to achieve automation and provide information to students to develop their own mini project.

The workshop aimed at introducing various concepts of QUCS. The event consists of Introduction to innovation in electronics, demonstration and basics of QUCS simulation tool and different projects also with different circuit on training sessions.

Sub: Offer Letter

Dear Mayur,

We are pleased to offer you the position of **"Chat Associate I"** in our organization at a CTC of **Rs.23,100/-** per month.

Both employer and employee contributions of PF and ESIC would be part of your CTC.

Your appointment is subject to the successful completion of a 30 day training program at TTEC. This offer is contingent upon your submission of original academic and/or the following employment documents:

- Four (4) passport size colored photographs
- Originals and photocopies of academic certificates including SSC, HSC and degree/diploma mark sheets, school leaving certificate, etc.
- Appointment/Offer letter, relieving letter from your previous organization and salary slips for the last three months – if applicable
- A copy of your PAN card and Aadhaar Card (if you don't have one, apply immediately as it is mandatory)
- ESIC, PF & UAN number of previous employment (if applicable)
- Photo ID (passport/driving license/voter ID/PAN/Aadhar card)
- Address Proof (latest bank statement with photo attested/electricity bill/gas bill)
- References for background checks (Email addresses and phone numbers of HR and your Reporting Head in your previous organization – if applicable)
- Date of Birth & Aadhaar card Copy/Number of your parents/spouse & Children
- Medical Fitness Certificate in the provided format (Original copy)

Per the organization's policy:

- There will be a probation period of six months from the date of joining. The organization will review your performance after six months and confirmation will be done basis that.
- In case, if Employee Resigns/ Leaves the Company without serving notice period of 30 days, the company will have the right to retain all the dues payable to the employee and adjust the same against the shortfall in the above said notice period of one month.
- In case of No Call No Show within the probation period, the Company reserves all the rights to terminate your services at any time. In this case the Company will have the right to recover the amount equivalent to one month salary (Cost to company) in lieu of the notice period of 1 month.
- Considering the Business need, you may be transferred to any other program without any prior notice.
- All new hires will be required to meet 35 WPM typing speed upon training completion, failing to achieve would not graduate you to the production floor.
- **You will not be able to join the organization if you are unable to submit PAN and Aadhar Number on your Date of Joining.**

Congratulations! We look forward to working with you.

Sincerely,

Badal Palkhiwala
Senior Manager, Talent Acquisition

I accept the above offer and will join from September 3, 2021 @ 9.30 am.

Re: Important information post your clearance of the interview process during the Campus Visit

Dear Samiksha Ravindra Bhange,

This confirms you have cleared the initial interview process. Your journey for getting an Offer of Employment from Accenture has just begun. Please go through this communication to acquaint yourself of the various actions that your candidature will go through before a release of Offer of Employment by Accenture.

- **Document verification and checks** - Post accepting this Letter of Intent, you will have to submit certain prerequisites / documents. The offer release will be contingent upon successful verification of your documents that will be submitted by you. Once you receive the offer, we would like you to accept the offer within 7 Days from the day you receive the Offer Letter.

  At all stages of the hiring process, you are expected to declare all facts honestly and act with utmost integrity while applying for any opportunity. In case of any misrepresentation of information/facts in your candidate registration process or at any stage of the hiring process, this Letter of Intent or any subsequent offer issued to you shall stand revoked.

- **Information on Accenture's Pre-joiner-Learning Module** - As part of providing our new joiners a unique learning experience, Accenture proposes a learning module - Technology Fundamentals Online Learning program (Hereinafter" program"). We would like to share the details of this program in advance for your ease of information and familiarity with its conditions.

  - The training module of this program is typically made available to potential new joiners at least 45 days before onboarding to give them a reasonable time to learn at their pace and comfort. Details of which are as under:

    - Under the program, the learning modules hosted on a technology platform will prepare the potential new joiner to be code ready.

    - Post onboarding/joining Accenture, and after the Induction the potential new joiner will need to go through the Technology fundamental assessment (based on the pre on-boarding online learning program).

- On successful completion of the program and clearance of the Technology fundamental assessment in the first attempt along with completion of the online program module, a potential new joiner will be eligible for a learning Incentive of INR 10,000.
- In case a potential new joiner fails in the first attempt they will not be eligible for any learning incentive.
- To clear assessments for the program, potential new joiners are required to score minimum 60% marks in each assessment test for the program. If they are unable to score 60% in the first attempt, they will have up to two additional attempts and will be required to score minimum 65% marks to clear the assessment for the program.
- Before each reattempt, reasonable guidance and appropriate refresher training sessions will be provided to new joiners to help them appear in the reassessment.

The potential new joiner's employment with Accenture is subject to successful completion of the assessment of the program, as mentioned above.

After a new joiner has cleared the Pre-Joiner Program; they will need to undergo further Accenture stream specific trainings. For clearing these trainings also, Accenture provides three attempts with success criteria similar to one for the pre-joiner program as mentioned above. If potential new joiners are unable to complete the Accenture specific training program in the given 3 attempts successfully, their services with the Company shall be terminated as per the Terms of Employment.

We wish you the best of this journey and congratulate you on clearing the interviews. Your proposed compensation for the ease of information and subject to release of an offer of employment by Accenture is as mentioned in **Annexure A**. Specific details will be mentioned in your formal offer letter.

Dear Jagrutibalasaheb Sawai,

College Name: **P.R.Pote (Patil) College of Engineering and Management, Amaravathi.**

Greetings from Mphasis!!

Congratulations on clearing the preliminary interview. We would like to offer you a conditional position at Mphasis Ltd. The details of the offer of the conditional position are enumerated below:

- You will be offered the position of **'Trainee Associate Software Engineer'** in **Band 5**, **Level 1** with Mphasis. The gross compensation will be **INR 2,50,000(Two Lakh Fifty Thousand) per annum.**
- Upon successful graduation from The Mphasis Learning Academy by securing minimum marks in various training modules and completion of 3 months in Mphasis, your gross compensation will be revised to **INR 3,25,000/- (Rupees Three Lakhs Twenty-Five Thousand Only) per annum,** which would be effective 1st of subsequent month.
- A training agreement for 24 months from your date of joining needs to be signed with Mphasis. In case of default, an amount of **INR 1,00,000** will be recovered from the employees.

- You are required to work in **any shift** as per business requirement.
- You are required to be flexible to relocate to any Mphasis location as per the business requirement. In case of any location constraints, we will not be able to take your candidature forward and will proceed with LOI Cancellation.
- You are required to perform any role within Applications Tower of Mphasis – **Applications Development, Applications Testing, Application Production Support** etc. as per business requirement.

As you are currently in your final year of graduation and are gearing to start working, Mphasis can be the right place for you to build a long fruitful career. We believe we have a historic opportunity of building a world class company. We also believe Mphasis is very unique in several ways, some of which are:

- Equal strengths in APPs, ITO and BPO
- Being a flat, open and communicative organization
- Organization ethos that encourages, promotes and rewards empowerment
- Flawless execution and leadership

Please note that this serves as a good-faith Letter of Intent. It is contingent upon you:

1. Successfully completing your graduation (BE/ B Tech/ MCA) and scoring the aggregate percentage, as set by Mphasis, in the final academic examinations
2. Securing the required percentage in the evaluation at the end of your 3 months training program at Mphasis.
3. Satisfactory completion of the background verification process that Mphasis will conduct at the time of your joining.
4. On successful verification of documents and certificates provided by you.

Your joining date will be communicated after you clear the above conditions.

Important Note: It is made clear that the above is not an offer for employment at Mphasis and is subject to the recipient fulfilling the conditions specified in this letter of intent. Mphasis reserves the right to cancel or recall this letter of intent at any time without assigning any reason.

Mphasis intends to onboard 2021 passing out candidates anytime between June 1, 2021 to April 30, 2022. In the event you fail to respond to Mphasis within **15 days** of Mphasis's communicating the onboarding date, this Letter of Intent stands revoked and terminated.

Below list of documents are mandatory during the onboarding process:

a. PAN card

b. Aadhar card
c. Passport
d. All semester marks sheets and graduation certificate

We look forward to welcoming you to **The Mphasis Learning Academy.** Should you need any further information, write to **campushires@mphasis.com.**

June 28, 2021

Mr Sudhanshu Vasantrao Uchitkar
sudhanshuuchitkar@gmail.com
Candidate Id:CN20210853

Dear **Sudhanshu Vasantrao Uchitkar**

Further to our interactions with you, we are pleased to offer you the position of **Placement Mentor** at FACE Prep (referred to as FACE – Focus Academy for Career Enhancement).

Your supervisory arrangements will be communicated upon joining. During the course of your employment with us, you may be transferred to any of the company's locations based on organizational needs. In addition to the duties that were outlined during your interviews, you shall perform such other duties as are customarily associated with such a position and as the authorized representatives of the management may from time to time require. You shall devote your full business efforts and time to FACE and agree to perform your duties faithfully and to the best of your ability.

The period from your joining date to your course completion will be treated as an Internship. During this period you will be paid a stipend of **Rs.10000/-** out of which **Rs.8000/-** will be fixed and **Rs.2000/-** will be performance based pay. In addition you will be provided with other allowance upto **Rs.1500/-**. Your performance during this internship period will be considered in deciding the confirmation of employment, post successful completion of your course.

Upon confirmation of employment, you will be inducted as an **Placement Expert** with an Annual CTC of **Rs.3,06,000/-**. The break-up of the same is provided in Annexure I. In addition, all expenses incurred for official purposes such as business travel will be reimbursed as per company policy.

Your appointment will include a commitment of service for a period of **2 years** starting from the date of confirmation of employment. This letter is a communication of an employment offer and is not a letter of appointment. I hope that you will accept this offer by signing this letter in the space below (in all pages) and returning it to me as soon as possible, but no later than 5 days from the date of offer.

We look forward to your arrival at our company and are confident that you will play a key role in our company's expansion.

* Normalized marks for Civil Engineering (CE), Computer Science and Information Technology (CS) and Mechanical Engineering (ME) Papers.

** A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this scorecard.

The GATE 2021 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q)\frac{(M - M_q)}{(\overline{M}_t - M_q)}$$

where,
M is the marks obtained by the candidate in the paper, mentioned on this GATE 2021 scorecard
M_q is the qualifying marks for general category candidate in the paper
$\overline{M}_t$ is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
S_q = 350, is the score assigned to M_q
S_t = 900, is the score assigned to $\overline{M}_t$

In the GATE 2021 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2021 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

5.3.2 QlM	**Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students' representation on various bodies as per established processes and norms)**

The institute strongly believes that involvement of students is necessary for the overall progress of the institute. Institute encourages active participation of students through nomination by HODs and Principal. Through the selection process Coordinators from the students have been nominated on Cultural Committee and Sports Committee. These student committees actively work for different activities conducted in the institute. As per provision in The Maharashtra Public Universities Act, 2016 the Students' Council is formed in college. The representative of the students' council of the college participates in the students' council at university level. It is pertinent to mention that the President and Secretary of the Students' Council of the college are the members of College Development Committee constituted as per provision in. The Maharashtra Public Universities Act, 2016.

A Student Council is a representative structure through which students in the college get involved in the affairs of the college for the benefit of the college and all students. The objective of formation of this council are

Objectives

To enhance communication between students, management, and staff.
To promote an environment conducive to educational and personal development.
To promote friendship and respect among pupils.
To support the management and staff in the development of the college.
To represent the views of the students on matters of general concern to them.

Besides students' council which is mainly responsible for organization of various activities in the college the college has constituted following academic and administrative committees which have students' representatives.

- **Anti-ragging Committee** – It prohibits any sort of ragging in the college premises.
- **Women's Grievances Committee** – It addresses the grievances of women.
- **Sports Committee** – Organizes college level sports tournaments, sends college teams for participation in inter-collegiate, university, state and national level sports tournaments.
- **Cultural Committee –** It organizes cultural program in the college and ensures representation of the college in cultural events organized at inter-collegiate, university, state and national level cultural events.
- **NSS Committee** – It organizes NSS activities of the college.
- **E- Magazine Committee** – It prepares and publishes the E-Magazine containing information of the various activities conducted in the college.
- **Career Guidance Committee** – It is involved in guiding the students as regards their career.

	• **Student Forum in each Department** – The co-curricular activities is organized under the aegis of this committee. • **Techlons' Committee-** Annual Institute technical and cultural activities is organized under the aegis of this committee • **Canteen Committee** – It ensures that delicious and hygienic food is provided to students and employees. **File Description** • Paste link for additional information • Upload any additional information

5.4 Alumni Engagement

Sr. No	Name of the Activity	Page No.
1	**Alumni Engagement Detail**	313-399

Key Indicator- 5.4 Alumni Engagement

Metric No.	
5.4.1 QlM	**There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services.**

AIM of Alumni Association

The concept of Alumni association evolved for the needs from both the ends, i.e. academicians and professionals, in the aim of building a bridge between college life and career life, so that the fresher graduates are made proactive to face the current challenges of competitive professional world. Both the ends work hand in hand to help each other for achieving the goal. Institution formed Alumni association.

The College has established Alumni Association. The Alumni Association is registered under Societies Registration Act 1860 and bears number - **MAH/Amravati/415/2020.**

Alumni Association meetings with Management and staff are periodically conducted in the college and at other important places including Pune. It functions effectively.

Mission

- To re-unite in the alma mater from where students grew and flew off.
- To build a bridge between college life and career life, so as to introduce present students to the professional world and to make them proactive to face the challenges that may emerge in their career path.
- To provide job opportunities to fresher bachelors through references to enhance their skills.
- To conduct orientation and training programs to students on various topics.
- To create awareness among students about scope of their subject in their professional world.

Objectives of the Alumni

- To provide a Forum for members of the Society for interaction.
- To achieve high degree of belongingness with the College and the Society
- To foster a feeling of brotherhood and friendship amongst the members of the Society.
- To enrol the members from time to time and keep them abreast with the activities of the Society and the College.
- To provide adequate avenues for drawing upon the knowledge and expertise of the alumni for furthering the cause of the College to attain good position and influence in the academic, social and business world.

- To foster communication amongst the alumni and to promote relations through interactive meetings and get-togethers.
- To collect, publish and disseminate information that is relevant to all the members of the Society.
- To play a significant role in the placement of our students in reputed organizations.
- To encourage a spirit of loyalty, friendship, service and benevolence among members of the Society.

The Alumni who have acquired high positions in several fields of life, who have become industrialist, who have experience and expertise to their credit, who have placed significant role in society are invited to college to deliver lectures and motivate students and provide counselling to students for seeking career opportunities. Institute along with alumni discuss with other stake holders on various matters and academic performance and the alumni feedback is obtained for improvement in quality. On the basis of feedback obtained from alumni, the college modifies and updates all the academic activities and all other programmes related to the current students. The financial assistance is contributed for the welfare of students such as gifts for rank holder students and achievers. Initiatives have been taken recently by Principal to attract Alumni to come forward to conduct campus interviews from corporate sectors, IT companies and other organizations for providing job opportunities and placement of current students. In terms of money the Alumni Association of the college in the last five years has contributed the sum of Rs.- **NIL**

- **Snapshots of the Programs:**

Summary-:

There are a lot of opportunities for ECE graduate in IT sector. They can be much better than CSE / ITE guys because ECE guys also have low-level knowledge of computing. If we talk about opportunities, you will have equal opportunities as other guys, but provided you have extra qualities or some qualities to match them. ECE guys who have just passed out from a college have less knowledge of programming as far as I know...So if you want to go in IT sector acquire programming knowledge...Learn C, Java, HTML, SQL, JavaScript, Jquery bla bla...according to your interest and you will be good to go. Companies look for quality of candidate.. If you are better than others there is no way you are not getting that job!

Snapshots of the Programs

Summary-:

JAVA was developed by James Gosling at **Sun Microsystems** Inc in the year **1991**, later acquired by Oracle Corporation. It is a simple programming language. Java makes writing, compiling, and debugging programming easy. It helps to create reusable code and modular programs. Following points were covered in these two days workshop by Mr. Vallabh,

- Java features, Program Structures.
- Fundamentals of Java Programming.
- Classes & Objects in Java, Creating Objects, Methods, Constructors,
- Class Variable and Methods.
- Inheritance vs. Aggregation.
- Array List class. Protected data & methods, Final classes.
- GUI components, Java GUI API, frames, layout managers.
