## TECHELONS '24

Prayer during inauguration

This year Techelons'2024 was organized on 3rd January 2024 and was inaugurated by the hands of Hon. Jaya Kishori Ji, Renowned Youth motivational speaker & Spiritual orator and Hon. Dr. Pankaj Ji Killedar, Scientist ISRO.

Since inception, our institute has been organizing the International Level Technical Symposium "TECHELONS". It is a platform for potential minds to exhibit their talent, technical skill to enrich their competency and to lead the world in the acquaintance era.

The event was witnessed by nearly 10000 students, parents and other dignitaries from the region. Almost 500+ students participants from all over the country has participated in different events.

**Inauguration of Techelons'24 by the Hands of Hon Jaya Kishori ji & Hon. Dr. Pankaj Killedar**

Total 11 events including Codethon, Anveshan, Struct-Fast, Business Plan, CATia, Auto-CAD, placement Test, Poster Presentation, Design Plan , project exhibition, LAN Gaming etc. there were prizes upto 7 lakh given to the winners of different events by the hands of dignitaries.

# HIGHLIGHTS

## UNMESH '24

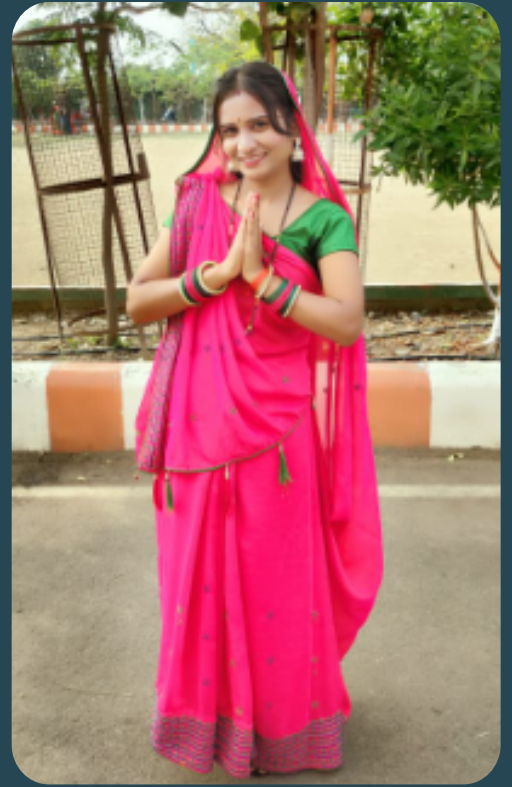

PRPCEM college is marked by its great events that includes its annual social gathering. Every year, annual social gathering of PRPCEM has reached to its highest level of success and thus, aiming a step higher, this year we are back with 'Unmesh'24'.

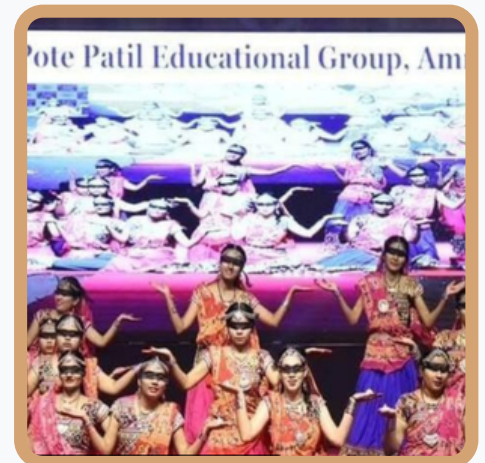

PRPCEM Director Dr. D. T. Ingole addressing Unmesh'24 and Guest Welcome moments

Unmesh'24 is a 2-days festival of the college that includes various events where in students are given chance to think, step forward and showcase their talent. These events have their own color and are very unique in their own way. These includes Singing, Mayurotsav, drama Competition, Day's celebration, Art & Fun, Mash up &, Photography and Painting, spotlight events like Fashion Show. Traditional events like Dindi.

Honorable Chairman Pravin Kumar Pote, Honorable Vice Chairman Shreyash Kumar Pote, and Honorable Principal Dr. D.T. Ingole, along with Dr. Mohd. Zuhair, Vice Principal of P. R. Pote College of Engineering & Management, Amravati, inaugurated this year's "Unmesh'24" at the Swami Vivekananda Auditorium. The gathering secretary, Miss Apeksha Gadpayle, welcomed all the guests and provided information about the events of Unmesh'24.

The principal inspired to students for various events participated. Honorable Chairman motivated to the students on social responsibility of the younger generation towards society and led an oath-taking ceremony for all faculty and students during his speech.

Various events in Unmesh'24

# HIGHLIGHTS

Inauguration of Event by Dr. Vijay Santan, and PRPCEM Director, Dr. D. T. Ingole.

## SPORTS DAY' 24

PRPCEM conducts its annual Sports Day from December 31st to January 2nd, Inaugurated by Dr. Vijay Santan (Divisional Sports Officer) and Dr. D. T. Ingole (Director PRPCEM). The event featured a variety of sports, including sprints, relays, basketball, football, volleyball, table tennis, chess, and carrom. The festivities showcased students' athletic talents, teamwork, and sportsmanship, making it a memorable and successful celebration.

Overall, the Sports Day was a resounding success, providing a refreshing break from academics and reinforcing the value of physical activity and healthy competition in our college community.

## Workshop on “Future of Electric Vehicles in India”

Students Participating in workshop on Future of Electric Vehicles in India

The ETXC Department of P. R. Pote College of Engineering and Management, Amravati, organized a workshop on the "Future of Electric Vehicles in India" on February 24, 2024. This workshop aimed to explore the emerging trends, challenges, and the opportunities in the electric vehicle (EV) sector in India. Under the chairmanship of Dr. R. D. Ghongade, HOD of EXTC, and coordination by Dr. A. P. Dhande, the workshop convened in the seminar hall of the ETXC Department.

**Mr. Romit Jadhao Founder Director of JADHAV Solar & Automotives Pvt. Ltd delivering the session'**

Dr. R. D. Ghongade inaugurated the workshop with a warm welcome to all attendees. He emphasized the significance of electric vehicles in mitigating environmental concerns and fostering sustainable transportation solutions in India. Mr. Jadhav delivered an insightful session on the future prospects of electric vehicles in India. He shared comprehensive insights into the current scenario, technological advancements, policy initiatives, and market trends shaping the EV landscape.

Drawing from his expertise, Mr. Jadhav provided valuable perspectives on the challenges and opportunities for the widespread adoption of electric vehicles in the Indian market.

Guest Lecture

"Distribution Automation"

Mr. Saish Kharkar  
Add. EE,  
MAHATRANSCO

Date: 13 / 03 / 2024  
Time: 03:30 - 05: 00 PM

Department of Electrical Engineering

The guest lecture for 3rd year EE students was arranged on 13th March 2024. The speaker for the guest lecture was Mr. Saish Kharkar who is working as the ADD. EE, in MAHATRANSCO.

The lecture was based on the "Distribution automation System" which comprises of the many sub topics related to automation system such as feeder automation, distribution automation, communication requirements for the automation systems, use of the SCADA system in distribution and the required components in it such as RTU, HMI, Communication channels and the Master station. The various line losses in the distribution system and the various method for reducing them were also discussed mainly the HVDS i.e., High voltage distribution system.

It was great opportunity for the students to explore and learn these topics by the person who is actually working on these systems. Kharkar sir has also shared his practical experience with these systems. The student's response of the guest lecture was really appreciated by the Mr. Saish Kharkar sir.

The program was conducted under the guidance of Dr D.A.Shahakar sir, Prof.S.A.Jalit, & Prof. S.V.Bhonde.

**Guest Lecture on Distribution automation System and Felicitation of Chief Guest Mr. Saish Kharkar sir.**

# SITE VISIT TO LOWER PEDHI DAM

View of Pedhi Dam

Students gathered for Site Visit in College Campus

A site visit for the students of 2nd year / 4th sem. was organized the by Civil Engineering Departmental in association with Departmental forum (FORCE) . The Technical Field visit was organized on Date- 22.02.2024 as per the curriculum of the SGBAU for the subject- Hydrology & Water Resources Engineering (4CE02)

The objective of the visit was to impart the practical knowledge to the students with reference to study of major Dam project involved in subject. The Construction of Lower Pedhi Dam project is going on under the supervision of Water resources Department , Amravati of Maharashtra state which is located at Bhatkuli , Dist.- Amravati.

The Contractor firm is ms/Thakkar & Company. The Lower Pedhi Major Irrigation Project is being constructed in the Tapi Basin in Amravati district of Maharashtra. The project envisages construction of 8,487 m long earth dam with the maximum height of 19.40 m and 123 m long central ogee type spillway with the maximum height of 39.65 m having 7 radial Gates.

Onsite the students were guided by Departmental Officials Mr.A.Pimpalgaokar (A.E-II) Mr.Chandrakant Ingale (A.E-II) and Mr.Prashant Naskari (Site Engineer) . This Visit helps the students to enhance their practical knowledge about different component of Dam like , Spillway , Earthen Dam , Concrete Testing Lab , Soil Strata , Casting of Beams for Post Tensioning Bridges etc.. Also from Civil Engineering Department Prof. H.Y. Ingale , Prof. M.S. Deshmukh and Prof. M.A.Rehaman guide the students during site visit.

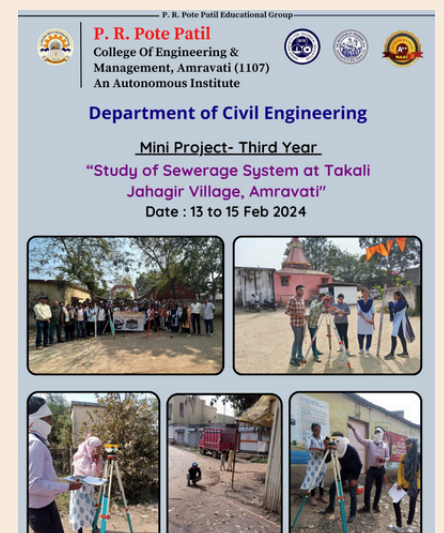

Students with Departmental Officials and Departmental Faculties on Pedhi Dam Site

Department of Civil Engineering

# MINI PROJECT TO ESTABLISH SEWERAGE SYSTEM

A Mini Project for the students of 3rd year / 6th sem. was organized by the Civil Engineering Departmental in association with Departmental forum (FORCE) . The Project was conducted for 3 days, from Date- 13/02/2024 to 15/02/2024 at village Takli Jahagir , Tq.- Dist. – Amravati , as per the curriculum of SGBAU for the subject - Mini Project. The main objective of the survey camp was to provide the solution to the Drainage / Sewerage problem of the village .

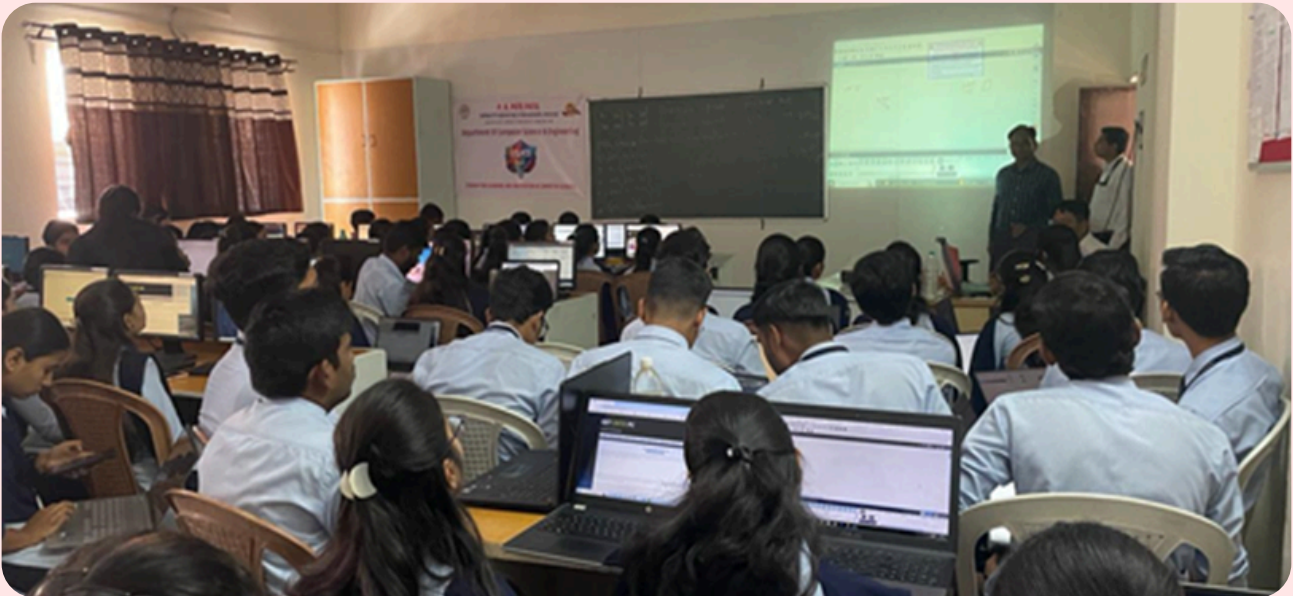

Thus to achieve that objective , Students conduct a Technical Profile level survey on site and Design a Sewer Pipeline for village by using a software to establish a advanced public Sewerage system in the village which will be finally Executed in future by Zilla Parishad Amravati

### Department of Computer Science and Engineering

Mr. P. M. Wasu Conducting Workshop on CCNA IT NETWORKING PYTHON + AI

## Workshop on CCNA IT NETWORKING PYTHON + AI

The workshop kicked off at 11:30 AM, starting with introduction to the friendly tutors and getting the software all set up. It was split into two parts: the first part focused on networking, while the second part dove into Python learning

Live Hands –On 1 day Workshop on CCNA IT NETWORKING PYTHON + AI Begin preparing for a networking career with this introduction to how networks operate. it introduces architectures, models, protocols, and networking elements – functions needed to support the operations. The Guest Speakers Mr. P. M. Wasu shared their experiences and insights on the impact of Networking discussed on current trends in business and relevance of specific specializations.

## Workshop provides:

- Build simple LANs, perform basic configurations for routers and switches, and implement IPv4 and IPv6 addressing schemes.
- Configure routers, switches, and end devices to provide access to local and remote network resources and to enable end-to-end connectivity between remote devices.
- Develop critical thinking and problem-solving skills using real equipment and Cisco Packet Tracer.
- Configure and troubleshoot connectivity a small network using security best practices.

The Workshop concluded with a summary of key takeaways and a call to action for participants to embark on their journey with confidence. Participants were encouraged to provide feedback on the Workshop, and suggestions for future events were welcomed. The positive responses received indicate a strong interest in similar Workshop focus in professional development.

## The EXCELARATE Data Analytics Project Competition

The EXCELARATE Data Analytics Project Competition, hosted by the National Student Data Corps (NSDC) Chapter of the Artificial Intelligence & Data Science Department, on February 24, 2024, at 8:30 am.

Data Analytics Project Competition

Inauguration function were organized at 8.30 am. Event has been inaugurated by the hands of - Dr. V. B. Gadicha, Controller of the examination, also

-Prof. H. S. Kulat, Head 1st year department,

-Dr. A. B. Gadicha, Head AI&DS Department and

-Prof. A. R. Ladole, Faculty Coordinator NSDC Chapter were present for the same.

This competition marks a significant milestone in promoting data analytics skills among students and fostering a spirit of innovation and collaboration within the academic community.

The primary objective of the Exclerate Data Analytics Project Competition is to encourage students to apply their theoretical knowledge in practical scenarios, thereby enhancing their skills in data analytics, problem-solving, and critical thinking. Participants will have the opportunity to tackle real-world datasets and present their findings to a panel of expert judges

For the competition Student has shown Excellent response than expected. Total 31 teams were participated in the competition from CSE, Civil & AI&DS department. The important role of Evaluator was taken care by the panel Such as Dr.V. B. Kute Head CSE Dept, Prof.K.K.Chhajed from CSE Dept. ,Prof. J. S. Wankhade from AI&DS Dept

### Department of Mechanical Engineering

# One Day Workshop on Electric Vehicle

Department of Mechanical Engineering organized one day workshop on Electric Vehicle on 16 February 2024 at mechanical engineering department. The primary objective of the E-Vehicle One-Day Workshop, organized by the Student Forum of Institution of Engineers of India (IEI), Department of Mechanical Engineering Department, was to expose students to recent advancements in technology, specifically focusing on electric vehicles (EVs).

Demonstration of Electric Vehicles to Student's

Workshop on Electric Vehicles

The event aimed to enhance the understanding of fundamentals related to electric vehicles, including the basics of battery-driven EVs, their drives and controls, and the associated charging infrastructure.

### Department of Mechanical Engineering

Director and Principal of the Institute Dr. D. T. Ingole Welcomed by Prof Sachin Hazare

Also help about the students regarding the design, fabrication, knowledge of raw material, expenditure. In these event total 50 nos of group participated, out of that selected as a 1st rank, 2nd rank, 3rd rank. Inauguration of event is done by the Director and Principal of the Institute Dr. D. T. Ingole, Vice Principal Dr. Mohd. Zuhair, and Dr. S. M. Tondre, Hod from Mechanical Engineering department.

## TECHNICAL EVENT ON “SCRAP ART EXHIBITION COMPETITION”

Inauguration of event by PRPCEM Director Dr. D. T. Ingole

Department of Mechanical Engineering organized the event on “Scrap Art Exhibition Competition” on the occasion of “Science Day”. This event organized for students too aware about technical skills required by an Engineer for excellent performance and growth.

Scrap Art Exhibition on the occasion of Science Day

First, the head of the department of mechanical engineering Dr. S. M. Tondre, informed about the various activities going on in the department under the "Science Day" exhibition. Director and Principal of the Institute Dr. D. T. Ingole convinced the students for

the importance of this exhibition and gave information about how the students can get a boost for their future life and latent talents through this medium.

Vice Principal Dr. Mohd. Zuhair Welcomed by Prof. Shekharsingh Thakur

This Technical Event successfully conducted by all the students, faculties, non-teaching members of mechanical engineering department and in last the vote of thanks presented by Ms. Prapti Tichukale second year.

### Department of MBA

The event began with an open platform session by Mr. Pawan D. Poddar Founder, Siyaram Silk Mills Ltd, followed by an interactive session with Mr Ankit Mehta, CEO, Idea forge Technologies Ltd, and Mr. Jai Malpani MD, ImagicaTheame Park an inspiring talk by these speakers in panel discussion.

Receiving reward with a cash prize

Students and Departmental Faculties in BharatCon 24 Venue

A stimulating panel discussion was planned after the speaker session on 'Start up Pathways' to illuminate the entrepreneurial path of the budding entrepreneurs, followed by an invigorating Startup Pitchescompetition.

Numerous start-up of Amravati participated in the Business-Plan competition organized, where the teams got a chance to pitch their potential ideas in front of the jury members. The winner was rewarded with a cash prize and certificate.

### Department of MBA

Department of MBA, PRPCEM, Amravati organized a guest lecture for MBA students on ‘Union Budget: How it Impacts a Comman Man’ on 21/02/2024. CA Mohit Ganeshani, was invited to deliver the session.

Guest Welcomed by HOD of Department of MBA Prof. S. R. Shah

## ‘Union Budget: How it Impacts a Comman Man’

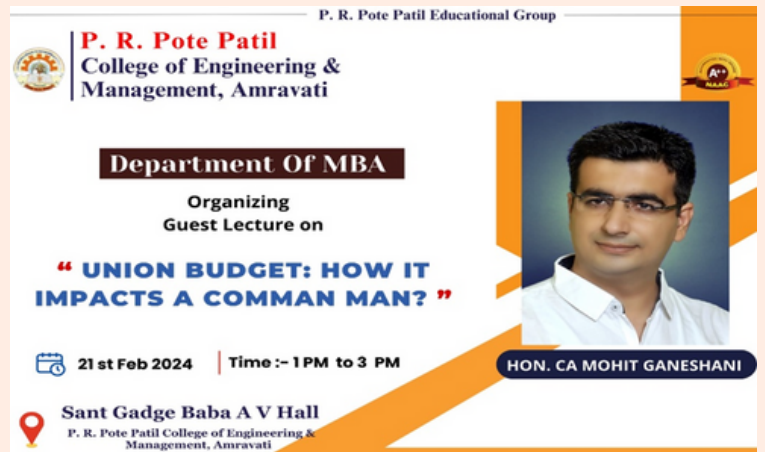

CA Mohit Ganeshani Delivering the Lecture

The second session started at 1.00 pm sharp. The department had invited CA Mohit Ganeshani to deliver a session. He was welcomed by HOD of Department of MBA Prof. S. R. Shah. Mr. Ganeshani in his session through his friendly and humorous manner instantly connected with the students.

In a nutshell he informed the students about the nitty-gritty associated preparation of the budget. He aroused the curiosity of the students by asking questions while explaining a point. From helping understand the institutional frame work to understanding the components of the budget, Mr. Ganeshani explained every aspect in detail. In the question-answer session most of the doubts were cleared by the speaker.

All the faculty members of MBA department also asked questions related to the bunion budget. Overall it was a wonderful session where students not only understood different areas of union budget but also understood how it impacts different sectors.

The session was anchored by first year students Mr. Mohd. Muzzaf& Mr. Shoeb Baig. The program ended with vote of thanks by first year student Ku. Muskan Soomaney.

Explaining Important Tips

## "Site Visit organized at Construction site of Educational Building "

A Visit at construction site of Educational Building at Premises of P.R Pote Patil Educational institutions Kathora , Amravati on Date - 25.012024 was organized for the students of 2nd, 3rd and 4th year of P.R Patil College of Architecture.

While theoretical knowledge lays the foundation of study, whereas site visits plays important roles in bridging the gap between theoretical concepts and practical applications. on-site experiences is a realistic approach to know the different skills for budding Architects and professionals Students have learned the reinforcements detailing of Columns & foundations.

Images of site visit students observing site

Such as column bar, starter bar, lap length, cover to starter, proper column links & locking arrangement to sustain seismic forces while shaking

In footing details related with structural Engineering Design, students learned about effective development length in tension & compression, bar details along x & y direction of footing, concrete cover side cover, effective depth & overall depth of footing, combined & Isolated footing. visit is organized under the guidance of Principal Ar. Sanjay Deshmukh. Conducted by Structural Engineer & Prof. Ram Vighe. Prof. Snehal Vidhale & Prof. Shekharsingh Thakur were prominently present at the time of Entire Visit.

Images of site visit students observing the details of Column footings

# Visit to R.C.C. Bridge on Pedhi River

**Images of site visit on Pedhi river Bridge , Walgaon**

On 2nd March 2024 P R Patil College of Architecture Amravati has conducted R. C. C Bridge Site Visit @ River Pedhi Walgaon for Students of 1st, 2nd, 3rd & 4th year. The purpose of visit is to learn the different aspects of RCC Bridge structure, bridge construction techniques, design methodology , Pile Foundation detailing, Pile Cap, Pier Cap, superstructure & abutments details, Reinforced detailing of PSC girder, Prestressed tendons & arrangement. seismic design & detailing arrangements for Bearing, students also have learnt design parameter of RCC bridge.

The visit is arranged by Prof. Ram Vighe under the guidance of Principal Ar. Sanjay Deshmukh. Prof. Amit Ghadge, Prof. Ankush Khandare, Prof. Palash Agrawal, were present at site. Thanks to Er. Tushar Kale SDE Division 1, PWD Amravati circle, Project Engineer N. N. Nagliya construction company Er. Rajesh Dalla Bhansali & Site Engineer Er. Pankaj Pandharam for giving Actively support to performed to days visit.

## Visit to “National Environmental Engineering Research, Nagpur

P. R. Pote Patil College of Pharmacy, Amravati under the leadership of Respected Dr. Dipti B. Ruikar Madam and under the guidance of Respected HOD Dr. Pankaj H. Chaudhary had organized educational visit to “National Environmental Engineering Research, Nagpur” on 06/03/2024

As a part of curricular part according to ER-2020 D. Pharm First Year syllabus for the subject Pharmacognosy (Subject Code 20053)

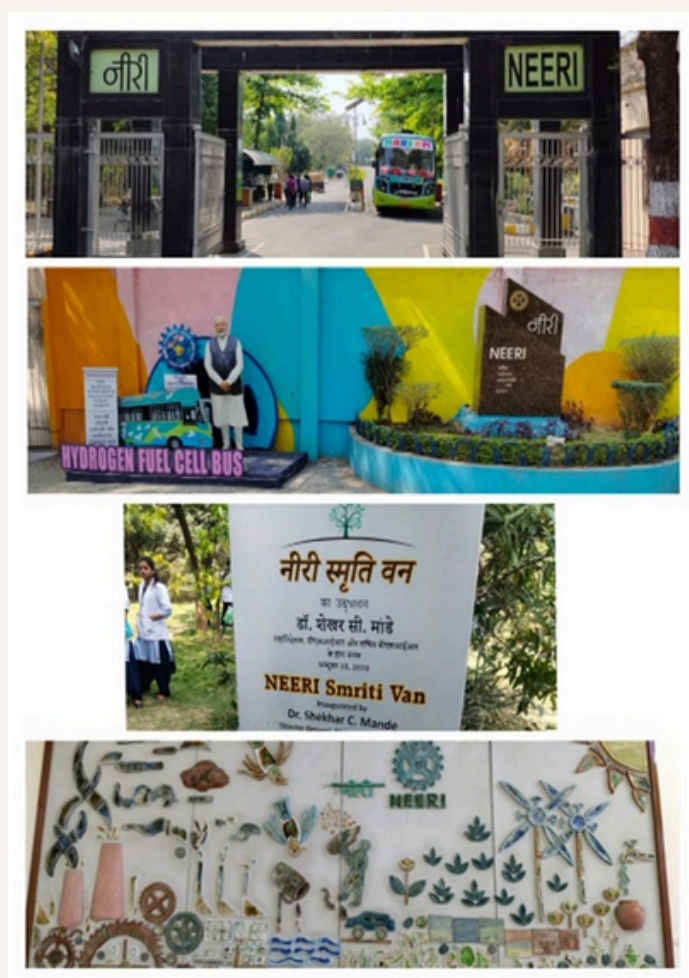

Botanical Garden Visit

Students with Departmental Officials and Departmental Faculties in National Environmental Engineering Research

The total number of students participated was 58 with 3 faculty members. The main objective of field visits to make aware of various herbal plants and able to identify their morphological characters of plants and understand the economical and medicinal uses of these plants.

Botanical garden teaches how to plants differ from each other, they understand their biological source, pharmacological activity, traditional uses, benefit of herbal plants. They also seeing the beauty of the Haritkranti Museum, Botanical Garden. The educational field visit was a learning experience for the students and was crucial for their overall development.

## National Science Day 2024

The major objective of organizing this exhibition was to provide the platform and unleash the potential of the students by showcasing their innovative projects including formulations, 3- D model, animation video developed in the Final Year and provide an opportunity for the students to demonstrate their learning experience.

The event motivated the first, second- and third-year students to take up the project work seriously and to bring in more innovations in the work that can be helpful to the society.

Students with Departmental Faculties and Principle Dr. Dipti B. Ruikar

The exhibition was organized for the final year under graduate students of B. Pharmacy as a part of their final semester project work. There was a total of 27 working projects on display during the event. The students demonstrated the working of their projects using formulations, 3-D mode31, animation videos, power point presentation and charts to the visitors. The students of D. Pharm. & B. Pharm from the junior classes visited the exhibition and interacted with the senior students. All the projects were mentored and guided by the faculty members of the department. Respected Principal Dr. Dipti B. Ruikar, HODs visited the exhibition and encouraged the students by interacting with the students.

Exhibition by students of B. Pharmacy

The M. Pharm. volunteering students, who helped the extracurricular department to organize the grand event. The event was fully videographed, solely by the student volunteers. The function generated a high degree of excitement in the faculty and students of the college. The students are motivated by the giving best 11 projects appreciation in the competition.

Exhibition by students of B. Pharmacy

# Gurusmaran-2024

**Lamp Lightning**

The National Conference "Gurusmaran 2024" on Pranavaha Strotas was successfully held in the Swami Vivekanand Auditorium, P.R.Pote Patil Educational Group Campus, Kathora, Amravati, Maharashtra from January 5-7, 2024. The conference was collaboratively organized by Prabha Ayurved Foundation Maharashtra, P.R.Pote Patil College of Medical Sciences Ayurved Amravati, and Dhanwantari Ayurved Shikshan Sanshodhan Santha, Dhule, in memory of the revered Guru, the late Vaidya Shri P.T. Joshi (Nana).

The conference aimed to commemorate the legacy of Ayurvedic pioneers and foster discussions on respiratory health. The aim of the "Gurusmaran-2024" Conference was to provide a platform for Ayurveda practitioners and scholars to converge, exchange knowledge and share experiences, particularly in the field of Pranavaha Strotas. The conference witnessed participation from over 1000 delegates across India. It included lectures, workshops and demonstrations focusing on the respiratory.
