1.2 Academic Flexibility

1.2.3 Give details on the various institutional provisions with reference to academic flexibility and how it has been helpful to students in terms of skills development, academic mobility, progression to higher studies and improved potential for employability. Issues may cover the following and beyond:

- **Range of Core / Elective options offered by the University and those adopted by the college.**
- **Choice Based Credit System and range of subject options.**
- **Courses offered in modular form.**
- **Lateral and vertical mobility within and across programmes and courses.**
- **Enrichment courses.**

2.2 Catering To Student Diversity

2.2.3 What are the strategies adopted by the Institution to bridge the knowledge gap of the enrolled students (Bridge/Remedial/ Add-on/Enrichment Courses, etc.) to enable them to cope with the programme of their choice?

Ans:

Sr. No.	PROGRAMMES ORGNISED	NUMBERS
1	Soft Skills	20
2	Workshops	44
3	Technical Festivals (eg.Techelons)	07

2.4 Teacher Quality

2.4.1 Provide the following details and elaborate on the strategies adopted by the college in planning and management (recruitment and retention) of its human resource (qualified and competent teachers) to meet the changing requirements of the curriculum.

Ans.:

Recruitment strategies

Recruitment of faculty is as per AICTE norms. Applications are invited from the desirable candidates upon the approval of advertisement from the University. The Vice Chancellor appoints the committee consisting of experts and this committee for the scrutinized candidates conducts interviews.

However, for appointments on ad-hoc basis, applications are invited through advertisement in newspaper and the local selection committee identifies desirable candidates after conducting demo lectures and interviews.

Retention strategies

- Institute has time bound and performance based promotion policy.
- Institute deputed faculty for higher studies as well as for attending/participating conferences, workshops etc.
- Institute encourages staff members for the membership of professional bodies.
- Employee welfare facility that includes group insurance, medi-claim, gratuity.

Following table shows the details of staff of the Institute:

Highest Qualification	Professor		Associate Professor		Assistant Professor		Total
	Male	Female	Male	Female	Male	Female

2.4.3 Providing details on staff development programs during the last four years elaborate on the strategies adopted by the Institution in enhancing the teacher quality.

a) Summary of staff development programs

Academic Faculty member Development Programs	Number of faculty nominated
Refresher course	02
HRD programmes	174
Orientation programmes	37
Staff training conducted by the university	03
Staff training conducted by other institutions	46
Summer / winter schools, workshops, STTP,FDP etc.	207

b)

Few of the Faculty training programs organized during last three years

Sr. No.	Type of Training	No. of programs
1	Teaching learning methods/approaches	06
2	Handling new Curriculum	13
3	Content/knowledge management	13
4	Selection, development and use of enrichment materials	03
5	Assessment	1
6	Audio Visual Aids/Multimedia	48
7	OER's	2
8	Teaching learning material development, selection and use	04

2.4.5 Give the number of faculty who received awards /recognition at the state, national and international levels for excellence in teaching during last four years. Enunciate how the institutional culture and environment contributed to such performance/ achievement of the faculty.

Ans.:

The Institutional culture and environment welcome the innovative ideas put forth by faculty and whole heartedly support in terms of guidance, time and finance, which eventually contributes to performance and achievement of the faculty. To name few awards/ recognition of the faculty

Name of faculty member	Award/ Recognition
Dr.D. G. Wakde	IEEE Outstanding Branch Counselor & Advisor
	Acharya Award by Mama Kshirsagar Shaikshanik Pratistha, Nagpur
	Krushak Bushan Award by Dr.Panjabrao Deshmukh Award by Lokssewa & Vikas Sanstha, Chandrapur, Maharashtra
	Maniklal Smruti Award Gandhi Charitable Trust, Nagpur
Dr. S. B. Warkad	Received “Union Ministry of Energy (now Ministry of Energy, Department of Power, Government of India) -Department of Power Prize” for the paper entitled “Optimal Electricity Nodal Pricing in a Restructured Electricity Market” (published in the Electrical Engineering Journal of IEI, Vol. 91, June 2010 issue). The prize- Gold Medal and Certificate of merit is presented by The Institution of Engineers (India) in 26 th Indian Engineering Congress at Bangalore on 06/12/11.
Dr. S. B. Warkad	Editor/ reviewer of several National/ International journals.
Prof. S. G. Fale	Best Paper Award for the paper titled “ Evaluation of Mechanical properties of Al-AlN MMCs synthesized using chemical processes” at Indian science Congress, 2012, Bhubaneswar
	Best Paper Award for the paper titled “ Thermodynamics basis for nanostructured AlN formation in Al matrix by nitridation” at National Conference , Rajiv Gandhi College of Engg. & Research, Nagpur.
Prof. P. S. Ardak	Best Teacher Award at Dept. Level
Prof. A. W. Mahore	Best Teacher Award on Teachers Day 2014 by State Bank of India, Main Branch Amravati
Prof.V. B. Gadicha	Best Paper Award for the paper title “Extensive approach for strong password generation assign content- cloud Mechanism” at 3 rd International conference on Computing, Communication, Control and Automation 2017, Pune, Maharashtra

Prof. Atul A. Ghute	Best Faculty Award at an International Event Techelons 2012
Prof. M. S. Burange	Best Teacher Award at an International Event Techelons 2012
Prof. Prof. A .D. Lonare	Best Paper Award at ICPVS-2014, “An approach to analysis facial expression from videos using PHOG”
Prof. Aniket U. Trivedi	Best Teacher Award in Techelons Event
Prof. Gauri P. Borkhade	Best Paper Award for the paper entitled “ A modified CMOS design of low noise amplifier for ultra wide band application ” in International conference on Electronics, Electrical and Data Communication held on 20th October, 2012
Prof. Suryakant P. Bhonge	
Prof. N. R. Pohadre	Best Teacher Award at an International Event Techelons 2012
Prof. P. M. Mankar	Best Paper Award. Title of paper “ S-2013, Battery based Vehicles ”

2.6 Student performance and Learning Outcomes

2.6.2 Enumerate on how the institute monitors and communicates the progress and performance of students through the duration of the course/Program? Provide an analysis of the student’s results/achievements (Program/course wise for last four years) and explain the differences if any and patterns of achievement across the programs/courses offered.

Ans:

- To monitor the student progress, Institute has the continuous internal evaluation system, which consists of unit tests, assignments, seminars, etc.
- Continuous Assessment Report is displayed on notice board of the respective department every month.
- Institute communicates the grades, marks obtained in the internal examination to the parents and students regularly.
- Institute organizes regular parents’ teacher meet for establishing communication with students and parents.
- The University also conducts the theory and practical examinations at the end of semester. The result of same are communicated to the student.

- The Institute analyzes the University examination result for each Program for setting new targets.

CRITERIA-III

RESEARCH, CONSULTANCY AND EXTENSION**3.1 PROMOTION OF RESEARCH**

3.1.2. Does the Institution have a research committee to monitor and address the issues of research? If so, what is its composition? Mention a few recommendations made by the committee for implementation and their impact.

Ans: A core Research body and Committee has been formed under the chair of Principal. It includes senior faculty member and student members.

SN	Body	Designation
1	Governing Council	Chairman, Secretary, Institute Director
2	Advisory Council	Principal/Vice Principal of Institution, Dean (Academics), Heads of Department, External Consultants, Industry/Research organization Experts
3	R&D Council	Dean (R&D), Coordinator, IEDC coordinator, FDP coordinator, Core Faculty members and Student members from all concerned Departments
4	Research Scholar	Interested students and faculties

The R & D Council for 2015-16 is as follows.

3.2 Resource Mobilization for Research

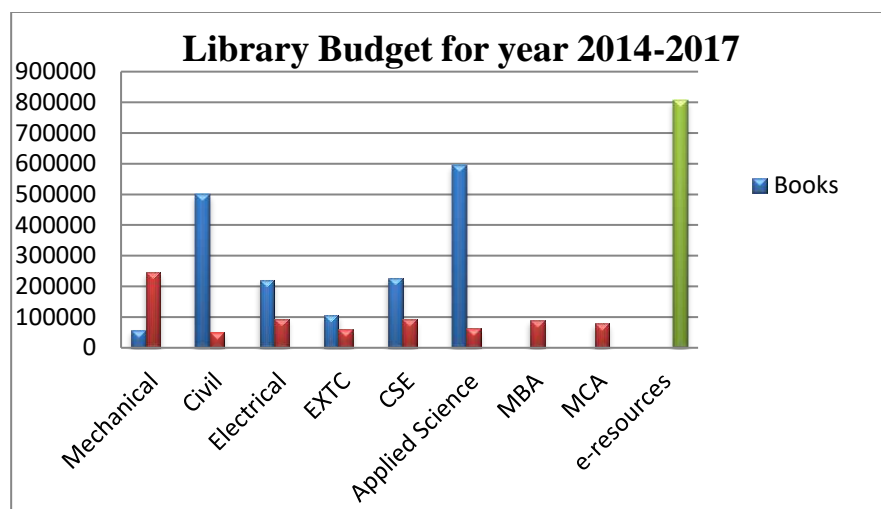

3.2.1 What percentage of the total budget is earmarked for research? Give details of major heads of expenditure, financial allocation and actual utilization.

Ans.: Institute has a financial provision for research in the annual budget. These funds are utilized for high-end equipment, internet facility and e-journals as per the demand of the research scholars. The details of equipments, software that regularly used in research, projects, etc. are as follows.

Department	Year	Equipment/ Software	Cost (in Rs.)
Electronics & Telecommunication Engg.	2014-15	MIC Trainer,	1,62,691/-
	2011-12	MATLAB software (Modeling & Simulation tool)	4,60,018/-
	2011-12	Micro-wind software	1,87,000/-
Electrical Engg.	2015-16	PLC trainer kit	34,143/-
	2012-13	Relay testing kit	63,000/-
	2012-13	Transformer protection simulation panel	1,58,400/-
Computer Science & Engineering	2014-15	Rational Rose suit enterprises	3,30,000/-
Mechanical Engg.	2013-14	CATIA Software	5,50,000/-
Civil Engg.	2013-14	Universal Testing Machine	7,50,000/-

For the enhancement of research activity, institute has provided very good library facility with good resources such as E-Journals, Print journals, Magazines and periodicals. These resources are extensively used by faculty members and students in their research work.

INFRASTRUCTURE & LEARNING RESOURCES

4.1 Physical Facilities

4.1.3 How does the Institution plan and ensure that the available infrastructure is in line with its academic growth and is optimally utilized?

Give specific examples of the facilities developed/augmented and the amount spent during the last four years (Enclose the Master Plan of the Institution/ campus and indicate the existing physical infrastructure and the future planned expansions if any).

Ans.: Planning and Ensuring of Infrastructure:

- The Institute develops the infrastructure as per the norms of AICTE. The experts from the regulatory authorities regularly monitor and visit the Institute. This enables the Institute to ensure the infrastructure adequacy and optimum use for academic growth.
- Classrooms, Laboratories, Library, Amenities, and all other facilities are designed and constructed as per AICTE norms in connivance towards total intake capacity.
- SGBAU, Amravati deputed the LEC to our institute every year since establishment for necessary inspection and decision on continuation of affiliation.

Facilities developed in last four years -

- In last four years the Institute has developed the class rooms, labs, tutorial rooms and seminar halls to meet the requirement of regulatory bodies and also for effective implementation of academics. The Institutes has enriched the labs with needed equipments, instruments, computers and software, etc.
- Institute has also developed the special labs to meet the requirements of PG courses for research and development.

Amount spent in last five years are as follows-

Sr. No.	Infrastructure	Particulars	Amount in lakhs.

4.2 Library as a Learning Resource

4.2.3 How does the library ensure purchase and use of current titles, print and e-journals and other reading materials? Specify the amount spent on procuring new books, journals and e-resources during the last four years.

Ans.: Library is taking due care to purchase published titles every year. The latest catalogues are available with the Library. Furthermore, faculties are consulted while recommending books. The catalogue is also mailed to the concern department for their information and recommendations. The library requisition form is given to the staff for recommending books. In addition, the students' demand for books is processed through department by preparing and submitting list to the library. Library always takes care to fulfill the norms given by Apex bodies regarding books, journals and other library holding.

Expenditure on procuring new books, journals and e-resources during last four years.

5.1.9 Does the Institution have a structured mechanism for career guidance and placement of its students? If ‘yes’, detail on the services provided to help students identify job opportunities and prepare themselves for interview and the percentage of students elected during campus interviews by different employers (list the employers and the programmes).

Ans.: Yes, Institute has a structured mechanism for career guidance for students. Under the guidance of the Principal, the Institute’s Training and Placement Department carry out different activities related to both training and placement of students. These include,

- Maintaining students’ data, maintaining list of companies / organizations with contact details of the concerned HR personnel.
- Arranging training activities to enhance technical and soft skills. It includes technical training as per requirements, positive attitude development, goal setting, development of leadership qualities, decision-making, team building, communication and aptitude skill development.
- Arranging group discussions and mock interviews.
- Arranging expert / guest lecturers of Industry personnel.
- Arranging Industrial training / tour.
- Informing students about the vacancies offered by government and other agencies.
- Arranging Campus placement of different industries.

The placement cell of the Institute invites reputed companies for campus recruitments. The students are also sent to attend off campus drives.

The details of placement are as follows:
