Topics Covered:

- Introduction to PHP.
- Handling Html Form with PHP.
- Decisions and loop.
- Working with file and Directories.

A two days workshop on **"PHP Technology"** was held at the Department of Computer Science & Engineering of **P. R. POTE COLLEGE OF ENGINEERING AND MANAGEMENT**, on 31/07/17 to 01/08/17. The Workshop provides opportunities to faculty members to enrich their teaching skill and research in the field of PHP. The Program also intends to develop the knowledge of participants to help in their progress. Also gave brief knowledge of Database connectivity with SQL. The workshop was attended by 25 faculty members of CSE.

OUTCOME:

Participants were enlightened with the most widely used advance technologies in this domain. All the sessions were very much informative. This in turn will help in research activity and placement opportunity. It's a great benefit for the participants as the topics match with the current working domain.
