

CRITERION: 7.2 Best Practices**Practice I**

1. Title of Practice : IIT BOMBAY VIRTUAL LAB -An Initiative of Ministry of Human Resource Development (MHRD)

2. The Goal

Virtual Labs will provide to the students the result of an experiment by one of the following methods (or possibly a combination). Modeling the physical phenomenon by a set of equations and carrying out simulations to yield the result of the particular experiment. This can, at-the-best, provide an approximate version of the 'real-world' experiment. Providing measured data for virtual lab experiments corresponding to the data previously obtained by measurements on an actual system. Remotely triggering an experiment in an actual lab and providing the student the result of the experiment through the computer interface. This would entail carrying out the actual lab experiment remotely.

3.The Context:

- To provide remote-access to labs in various disciplines of Science & Engineering. These Virtual Labs would cater to students at the undergraduate level, post graduate level as well as to research scholars.
- To enthuse students to conduct experiments by arousing their curiosity. This would help them in learning basic and advanced concepts through remote experimentation.
- To provide a complete Learning Management System around the Virtual Labs where the students can avail the various tools for learning, including additional web-resources, video-lectures, animated demonstrations and self evaluation.
- To share costly equipment and resources, which are otherwise available to limited number of users due to constraints on time and geographical distances.

4.The Practice:

Virtual labs are conducted basically in the form of workshops in two ways:

- In house workshop- conducted for the faculty and students of our own institute.
- Out reached workshop- conducted for the faculty and students of other institutions.
- To conduct such workshops we need to schedule it on IITB web portal: www.vlabs.iitb.ac.in.

5. Evidence of success:

- Few of the evidence of success are quoted as example as follows.
- Successfully organized various workshops of virtual lab tutorials for the students as well as faculties.
- Successfully organized the outreach virtual lab workshop for the P. R. Patil college of Engineering and Tech., Amravati.

6 Problems encountered & Resources required

The Problems encountered are as follows:

- Some of the Laboratories require separate registration for each of the experiment.
- Some of the simulators are under development so students face the problem while performing the experiments.

Notice

Following faculties are hereby informed that they have to follow Virtual Lab schedule given below.

Role of Faculties

- 1) Faculties have to report at Virtual Lab (Computer Centre, Main Building) as per schedule.
- 2) Faculties have to visit vlabs.iitb.ac.in, choose labs as per your expertise and perform virtual practicals in advance for explaining it to the students.
- 3) Faculties have to bring students of the respective class to the Virtual Lab as per schedule.

CRITERION: 7.2 Best Practices

Practice II

1. Title of Practice I: *Free books distribution for enhancing ethical values in students.*

2. The Goal : In today's world the ethical values are becoming more and more negligible and people rather students are becoming practical. They are losing interest in the ethical values. To adapt this feature into the student's personality the practice of giving the books free of cost to the students so that at least they can read and acquire these values

3. The Context: It is seen that student's are becoming practical and very few of them carries the ethical values. So this practice will ultimately develop the morality in the students and will try to change the thinking of the students who are literally unaware of the consequences they are going to face in the real world. As they leave in the reality and with any failure they easily gets disturb and then loses the confidence in themselves.

4. The Practice: In this practice actually the books are issued to the department and practice is followed at the department level by distributing such types of books to the students who are toppers in their respective branches. By doing so no particular department will have to keep track of all this at department will maintain the record of every year books distribution and they can even easily find the toppers in their particular department.

5. Evidence of success: Few of the evidence of success are quoted as example as follows.

- More and more students are attracting towards this and they want such types of books.
- When the prayer starts in the morning they all stand up for the prayer without any caste or religious discriminations.
- They started helping each other in their failures. Also help them in their studies.

6. Problems encountered & Resources required : The Problems encountered was not as such only for receiving such types of books from the resources. We require the resources from where the books can be received easily. We search for such resources and get the variety of books.

CRITERION VII – 7.2 BEST PRACTICES

Department of MBA

Practice 1—

2018-19: Free books distribution for enhancing ethical values in students.

At the time of Admission of MBA I year department every year distribute the book to the to all the 60 students in Induction Programme to inculcate the ethical values in them through Swami Vivekanda/Gramgeeta spiritual books.

In this practice actually the books are issued to the students and practice is followed at the department level by distributing such types of books to all the students.

Session 18-19

The **Induction programme** was organized on 5/7/2018 for newly admitted students in **First year** and **Direct Second Year (Lateral Entry)**.

All the students gathered in the class room and in the presence of **H.O.D. M.C.A. Department, Dr. C. A. Dhawale Madam** the programme started at **11.30 am**. **Prof. A. S. Bhande, Class-Coordinator**, second year, commenced the programme by welcoming the students and introduction of faculty members of the department followed by speech of **Prof. P. S. Thornbare Sir**.

The students from third year **Mohsin Pathan, Pratik Wasu** and **Gangaprasad Patinge** shared their experience of **Infosys online exam** with the students.

Next, the new students gave their **brief introduction** one by one followed by **certificate distribution** to **Payal Rewatkar** and **Sakshi Tanna** about their visit to **University at Malaysia**.

Lastly, **HOD, Dr C. A. Dhawale** addressed the students and inspired them and made them acquaint with the department.

A very important practice that is practiced is the "SPRITUAL BOOKS DISTRIBUTION" to new admitted students during the induction programme.

After vote of thanks the programme was concluded with the **refreshment**.
