The one week online FDP on "Role of Science in Technical Education" "had been successfully organized by department of first year Engineering, of P.R.Pote(Patil)Education & Welfare Trust's College of Engineering & Management, Amravati from 14<sup>th</sup> December -19<sup>th</sup> December 2020. The self-sponsored one-week course had been organized by two faculty members: Dr.N.R.Thakare. Main objective of this FDP is to aware the Engineering faculty on how to correlate, apply science with the engineering field for effective classroom delivery.

### Program Details

The course commenced with Inaugural Function on 14<sup>th</sup> Dec online with the benign presence of Chief Guest Dr. S. A. Ladhake, Director of PRPGEI, and a Guest of Honour Dr. A. V. Kale, Principal, P. R. Pote (Patil) College of Engineering & Management, Amravati and FDP Coordinators Dr. S. A. Khapre and various participants from intra departments.

The ceremony started with a welcome of Chief Guest. Later Chief Guest officially inaugurated the Program with a keynote. Program Convenor Dr. A. D. Bhojar explained the need of arranging the FDP and its features. He also discussed the One-week schedule of the program and highlighted the important keynote speakers.

At Day 1, session started with Speaker Dr. Vinod J. Dagwal, Assistant Professor, Govt. College of Engineering, Nagpur with the topic "Role of Mathematical Modelling-I". He explained the use of mathematical models to design and investigate devices in engineering.

On Day 2, session started with Speaker Dr. Vinod J. Dagwal, Assistant Professor, Govt. College of Engineering, Nagpur with the topic "Role of Mathematical Modelling - II". He explained the use of mathematical models to design and investigate devices in engineering.

On Day 3, session started with Speaker Dr. N.A. Kalambe, Assistant Professor, Department of Chemistry, Shri Shivaji Science College, Amravati with topic "Application of Spectrophotometric Techniques (Phase-I)". He explained the instrumentation and application of Spectrophotometric Techniques U.V., I.R. in learning identification of structure of molecules.

On Day 4, session started with Speaker Dr. N.A. Kalambe, Assistant Professor, Department of Chemistry, Shri Shivaji Science College, Amravati with topic "Application of Spectrophotometric Techniques (Phase-II)". He explained the instrumentation and application of Spectrophotometric Techniques N.M.R., X-ray Diffraction in learning identification of structure of molecules.

On Day 5, session started with Speaker Dr. Amol Nande Assistant Professor, PRPCEM, Amravati, with topic "Synthesis and Characterization of Nanomaterial. He explained Nanotechnology is being applied to a variety of industrial and purification processes including construction materials, nanomachining of nanowires, nanorods, graphene, water filtration, and wastewater treatment and their future scope.

At Day 6, session started with Speaker Prof. Swati S. Mathurkar, Assistant Professor, Govt. College of Engineering, Amravati with the topic Importance of "Transformation for image processing and Cryptography" She demonstrated Importance of Transformation for image processing and Cryptography in engineering.
