□□ Hello everyone !!! □□

An electric revolution is coming to the automobile sector in the world.
But, the industry is facing a shortage of talented, aptly skilled engineers needed for the transition to electric drives as the primary source of motive power.

Department of Electrical Engineering of *P. R. Pote College of Engineering and Management*
is coming up with an amazing webinar on:

***" Introduction to the world of Solar Energy "** * for you all.

□ *Presented By* :

* Er.Priti Bhatkar Morey *

* Govt. Authorized and a massive experience of 10 yrs in the field of Solar energy *

Target Audience: All 2nd, 3rd and final year students of Electrical Engineering

Schedule :

□ Date : *08 Jan 2022*

Time : *12:00 AM - 1:00 PM (IST)*

“Introduction to the world of Solar Energy”

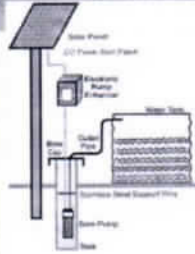

Date of Event: 08 Jan. 2022

As the awareness and to know the latest growth in Renewable sources of energy the EESA committee organized a webinar on 'Introduction to the world of Solar Energy'. The webinar is guided and explained by Er. Priti Bhatkar Morey one of the Govt. Authorized and a massive experience of 10 yrs in the field of solar energy. The webinar starts on Google meet at 11Am with the huge attendance of students and all the staff. Our EESA President Starts with smooth introduction about guest and the webinar goes forward with the precious words of Guest. The Priti mam has shared her experience, Need of renewable energy, installation calculations of solar plant, recent trends in renewable energy, and opportunities in renewable energy especially in Solar Energy. She also talked about the research opportunities and the various carrier options in renewable energy. After 2hrs of pricefull words from Priti mam the meet was conclude by our EESA co-coordinator Prof. A. Pundkar. The webinar gots a huge success and lots of information.

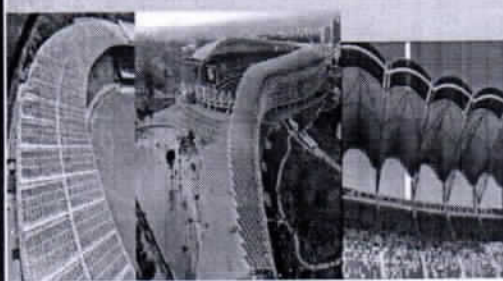

After that the President of EESA-2021 ended the meeting by thanking everyone who gives their valuable time. The result of this event, every committee member got aware of their EESA responsibility. Continious guidance and inspiration by Prof. D. A. Shahakar HOD of electrical engineering department of PRPCEM plays vital role .In this way this program was successfully completed under the guidance of EESA faculty coordinator Prof. A. P. Pundkar.

REPORT

On

"Communication Skill & Personality Development"

This workshop was conducted on "Personality Development & Communication Skill" by renowned Speaker Prof. Vishal Langote PRPC Mon 16/09/2021. The event was chaired by Dr. R. D. Ghongade, Head of the Department of Electronics & Telecommunication. The basic aim and objectives behind this workshop was to instill the art of speaking and boost up the confidence among students so that the improvement in their personality took place. It also plays vital role in improving communication skills among students. Students should be expressive and smart enough to present themselves in front of the public at large in their desired manner and to make them aware about the global scenario and how expertizing these skills would help them in future. Prof. Vishal Langote had expressed his views in such a manner due to which our students were very much happy and learnt a lot and promised them to imbibe all those tactics. At the conclusion of the workshop vote of thank given by Prof. S. P. Bhonge, the Coordinator of this event.

The Department of Mechanical Engineering, PRPCEM, Amravati organised an online Alumni Talk on Google Meet on 28-01-2022 for Second, Third and Final Year students.

The key speaker of the event was our alumni named Master Shubham Gite (2021 batch) selected in MNC named Accenture.

The session was started with the formal way by Prof Manish G Walecha, followed by introductory speech by HoD, Dr P R Wadnerkar.

The main objective behind conduction of talk was to make students aware regarding placement process of Accenture and other software companies. He spoke about the placement process of Accenture also shared his working culture in company. He also spoke about the challenges that are being faced by student for placement and how to resolve them.

He also shared his experience while attending aptitude test and interview in various companies. He also spoke about role of Mechanical Engineer in IT companies.

Lastly he answered queries raised by students and made session as an interactive one. The formal vote of thanks was delivered by HoD, Dr P R Wadnerkar.

In all 76 students marked their attendance and feedback through Google Form.
